**RN to BSN ADMISSION REQUIREMENTS**

- Entrance to the RN-BSN program requires a minimum 2.75 GPA on a 4.0 scale
- Completion of all prerequisite courses with a grade of “C” or better
- Earned 60 lower-division credits from an accredited institution or an Associate’s degree in Nursing. Transfers with an Associates of Arts from a non-public Florida school or an Associate of Science from any college or university may have additional core classes that are required by the university.

**RN to BSN APPLICATION PROCESS**

1. Apply and be admitted to Florida Atlantic University as a pre-nursing student by published deadline.
  2. Submit College of Nursing undergraduate application online by published deadline. Applying sooner is recommended.
  3. Once confirmation of admittance to FAU, contact the College of Nursing to make an appointment for advising in order to register for classes.
  4. A state/federal background check along with a drug screen is required for all admitted students. All costs for these requirements are the responsibility of the applicant.

---

Students transferring to Florida Atlantic University must complete both lower-division requirements (including the requirements of the Intellectual Foundation Program) and requirements for the college and major. Lower-division requirements may be completed through the A.A degree from any Florida public college, university or community college or through equivalent coursework at another regionally accredited institution.

All course not approved by the Florida Statewide Course Numbering System that will be used to satisfy requirements will be evaluated individually on the basis of content and will require a catalog description and a copy of the syllabus for assessment.

---

Students must refer to the university catalog for university- and degree-wide graduation requirements.
