As an FAU Owl, you’ve joined a community focused on Unbridled Ambition. Therefore, from this moment on we invite you to be Bold, to be Brave, to be FAU! We look forward to seeing you at your graduation in four years.

We will challenge ourselves, and you as our students, to be role models who learn and act to create meaningful and impactful change at FAU and beyond. We are committed to providing a range of opportunities for personal, social, and civic engagement during your time here.

We encourage you to take full advantage of the many services and activities available to enrich your college journey, from academic to social and cultural experiences. Every staff member in Student Affairs works diligently to ensure you get the most out of your time here at the University, and we welcome every opportunity to partner with you in making that happen.

**The Mentoring Project** (www.fau.edu/mentoringproject)

When we consider our greatest accomplishments, most people can immediately recall the people who inspired, coached, advised, assisted, and cheered them along the way. The Mentoring Project’s Connections program pairs new first-year and transfer students with an FAU faculty or staff member, graduate student, or upper-class peer mentor who is interested in getting to know you as an individual, help you explore and define your goals, and make the most of your time at Jupiter, Davie, Boca, or as an on-line student. Mentored students are motivated; they earn higher grades and are more likely to stay at FAU after their first-year.
The Mentoring Project also serves as a clearinghouse to introduce students to the more than 20 mentoring programs available here at FAU. Visit us on-line or in-person to learn more. The Mentoring Project is a joint collaboration between Academic and Student Affairs.
