The Vice President for Student Affairs or designee shall approve the members of this committee. To serve on the UUSTC, a student must meet the minimum student leader qualifications as stated in University Regulation 4.006. The UUSTC shall be comprised of 4 voting student members and 1 non-voting member of the University administration as outlined below:

   a) The Student Body President appointee, as chairperson – voting

2. Graduate student travel will be approved by the Graduate and Professional Student Association Travel Committee (GPSATC). To serve on the committee a student must meet the minimum student leader qualifications as stated in University Regulation 4.006. The GPSATC shall be comprised of 3 voting members. When a student group or individual student is making travel arrangements, use the following instructions:

A. Airline tickets: Must show you as the traveler and should coincide with the dates of the event that you are attending.
B. Vehicle rentals: The State of Florida has entered into an agreement with Avis to use only their rental cars, unless a lower net rate can be secured from another company. Written justification, including cost comparisons, must be provided if a different company is used. Avis is a designated University vendor who will provide discounts and also accepts a voucher that can be issued in advance of travel so students will not have to pay out of pocket. Even with the voucher, students are required to pay for gas out of pocket and should follow instructions about returning the car with the appropriate levels of gasoline. Gas receipts must be itemized and show how many gallons were purchased. If planning to drive to a destination, it is recommended to rent a vehicle to better insure the safety of travelers.
C. Incidentals: Students who plan to drive their own cars cannot receive reimbursement for gas or mileage. You must retain receipts for which you wish to be reimbursed for tolls, taxi, and related incidentals.
D. Hotel reservations: Must be itemized and show you as a patron and should coincide with the dates of the event that you are attending. A copy of the credit card charge slip is not acceptable. Only the cost of the room (including tax) per night will be reimbursed. Personal calls, meals or any other charges included in the hotel bill are not reimbursable.
E. Reserving airline, hotel and rental car package deals through travel discount websites may not be reimbursable if you are not able to provide itemed receipts.
F. Registration: Must show you as the registrant and should coincide with the dates of the event that you are attending.
G. Make sure each traveler in your group saves all of his/her original itemized paid receipts during the trip. They will need proof of expenses if the student plans to seek reimbursement when he or she returns from the trip. This includes, but is not limited to: airline toll receipts and taxi receipts.
H. Travelers will not be reimbursed for travel paid for by another department or travel that has already been reimbursed to someone else.

VIII. STEPS FOR REIMBURSEMENT

A. After traveling, each student seeking reimbursement should complete a request for travel reimbursement via Owl Central within ten (10) business days of completion of travel and attach verification of attendance at the event and all receipts as proof of payment.
B. If proper reimbursement paperwork is not turned in within the ten (10) business day timeframe to the ASAB Office, travel expenses will not be reimbursed and funds will be made available for other students applying for a travel award.
C. A student can only seek reimbursement for expenses authorized by the Student Travel Committee.

IX. COMPLIANCE

A. Violations of this policy will subject the student and/or student organization to University sanctions through the University Regulation 4.007: Student Code of Conduct and University Regulation 4.006: Student Government and Student Organizations by the Dean of Students Office.

C. Should any improper student conduct occur during the course of the travel period, the student
and/or student organization will be immediately referred to the Dean of Students Office to take appropriate action.

D. Failure to comply by the Student Travel Policy may result in the following:

1. Referral to the Dean of Students Office.
2. Charges placed on the Student’s Account corresponding to any fees not authorized by University.
3. Freezing of a Registered Student Organization account.

Removal of these holds will occur after the appropriate travel documents are complete and travelers have abided by the above listed policies and procedures.
