

The H.L. Wilkes Honors College Admissions Office presents...

Preview 2008!

This is special opportunity for newly admitted Honors College students to experience a day in the life of an Honors College student. Newly admitted students will be matched with and shadow a host student: attending classes, labs, office hours, eating lunch, and hanging out on campus.

Date: Monday, February 18th, 2008
Time: 9:00 AM – 4:00 PM
Location: Check-in in the Atrium
of the HC Building

A lunch ticket will be provided for newly admitted students. You may want to bring a sweatshirt, sometimes the classrooms are cool. Wear comfortable shoes for walking around campus.
