

**Honors Summer
Institute
July 12-August 1, 2009**

ADMISSION REQUIREMENTS

Selection

The Honors Summer Institute (HSI) at Florida Atlantic University will admit students whose scholastic performance and abilities demonstrate the potential for academic and personal growth. Selection for the program will be based upon the student's high school academic record, a personal statement, and a letter of reference from a guidance counselor, principal, or high school teacher. School and community involvement may also be considered. While college placement exam scores are not required for admission, they may be submitted. Please note that Florida students who intend to dual enroll (and have tuition fees waived) will be required to submit their SAT, ACT or CPT scores upon registering (please see our webpage on dual enrollment for more information: http://www.fau.edu/divdept/honcol/hsi_dual.htm).

Academic Preparation

Applicants should either be rising juniors (entering 11th grade), or rising seniors (entering 12th grade) in high school.

Application Deadline (limited places available): March 30, 2009

Program Fees

The anticipated program fees to attend the Honors Summer Institute are **\$2,250** for Florida students who are eligible to dual enroll. This figure covers a private bedroom in a Wilkes Honors College residence hall suite, full meal plan, and enrichment activities. Florida students who qualify for dual enrollment do not need to pay additional tuition costs (see eligibility requirements for dual enrollment online). Florida residents who do not qualify for dual enrollment must pay an additional tuition fee of approximately **\$365**. Out-of-state students must pay an additional tuition fee of approximately **\$1,680**. These figures do not include incidental costs such as books and personal expenses.

Nonrefundable Deposit(if accepted)

Shortly after notification of acceptance into the program, a \$500 non-refundable deposit will be due. This deposit will be credited toward your program fees (see above).
