

# M.Ed. Instructional Technology

Florida Atlantic University

Committed to  
Teaching, Research  
& Service

Boca Raton • Davie  
Jupiter Campuses

The master's degree in Instructional Technology provides students with the opportunity to acquire the knowledge and background necessary to apply modern technology in both educational and training settings.

This program provides practical tools and skills professionals can use to successfully integrate technology into instruction. Courses and program of study align with current needs of educators, instructional designers and corporate trainers. This is the only fully online graduate degree offered by the College of Education, providing exceptional flexibility for today's working students.

- Gain Knowledge of Instructional Design, Distance Learning and Instructional Technology
- Incorporate Current Technologies into Instruction
- Exchange Ideas and Collaborate with Faculty and Colleagues
