Pine Technical and Community College (PTCC) is dedicated to proving an inclusive learning and working environment through equitable opportunities for all students, staff, and faculty. The college appreciates diversity and is committed to supporting and honoring the dignity of each person by creating a campus climate where each individual is welcomed, supported, and respected. All internal stakeholders are welcome to submit proposals for process improvement to be reviewed with members of the administrative team for feedback and feasibility as it aligns with PTCC's mission and vision.
