IV. Curriculum Sub-committee Report - Reported by Linda Webb

Linda Webb discussed the course changes.

SCE 6196 Design, Implementation, and Evaluation of Environmental Programs- Change title to Capstone Study in Environmental Education Changes to be made to the description according to the form. Suggestions were made to list the pre-requisites that would be prior to this course first. Also, it was suggested to add Graduate Program Environmental Education Majors only to the course description. Under the department approval process, the College of Education departments should be included.

SCE 6345 Perspectives of Environmental Education- Change the course description and pre-requisites. The same suggestions were noted concerning listing Graduate Program Environmental Education Majors only to the course description. Under the department approval process, the College of Education departments should be included.

SCE 6344 Advanced Methods of Environmental Education- Change the course description and pre-requisites. The same suggestions were noted concerning listing Graduate Program
Environmental Education Majors only to the course description. Under the department approval process, the College of Education departments should be included.

SCE 6644 Trends and Issues in Environmental Education- Change the course description and pre-requisites. The same suggestions were noted concerning listing Graduate Program Environmental Education Majors only to the course description. Under the department approval process, the College of Education departments should be included.

**Action:** Motion to approve the four courses with the sub-committee’s suggestions for changes by Linda Webb. Seconded by Carlos Diaz. All members present voted to approve.

EEX 6210 Diagnosis, Assessment, and Instructional Decision Making for Students with Autism Spectrum Disorders- Change course description and pre-requisites.

EBD 5246 Students with Autism Spectrum Disorders- Change title to Nature and Characteristics of Autism Spectrum Disorders, course prefix from EBD to EEX, and change course description.

EEX 5602 Behavior Change and Management Strategies- Change course pre-requisites.

**Action:** Motion to approve the courses with sub-committee’s suggestions by Linda Webb. Seconded by Dilysh Schoorman. All members present voted to approve.

V. Graduate Faculty Applications- Committee of the Whole

Files reviewed by GPC members present at the meeting.

**Action:** Motion to approve graduate faculty status Level B for Chung-Jung Huang by Ali Danesh. Seconded by Mary Lou Duffy. All present voted to approve.

**Action:** Motion to approve graduate faculty status Level A for Noorchaya Yahya by Dena Wener. Seconded by Ali Danesh. All present voted to approve.

Ali Danesh discussed the new application form for Graduate Faculty Status. He and Valerie Bryan aligned the new form with the new graduate governance document. Deborah Floyd discussed that it is important that we should match the content from the graduate governance document. Mary Lou Duffy added that categories could be organized and all agreed that a check list style would suit the document and would be clearer for applicants. Mary Lou Duffy also mentioned that the curriculum vitae should be included. The website for the College of Education Graduate Programs Committee should be reviewed because the forms online are incorrect and two forms are similar in content but not format. The goal for this committee is to replace all the forms on the GPC website with the new corrected form. Sharon Darling suggested that evidence needs to be provided to support #2 Possess a knowledge base relevant to the student’s major field of study on Level A. This can possibly be indicated by the chair’s signature and acceptance of the application. This will be discussed further at future meetings. Valerie Bryan discussed adding a revision date to the document.

**Action:** Ali Danesh and Valerie Bryan will work on the new application and bring to the next COE GPC meeting, November 23, 2010.
VI. University Graduate Programs and Graduate Council Update- Deborah Floyd and Valerie Bryan (representatives)-

Deborah Floyd reported that she will serve as chair of the University Graduate Programs Committee this 2010-2011 year and that, thus far, our curriculum proposals have all been successful moving through this committee. Regarding the Graduate Council, the Dissertation Guidelines are being slightly revised and if anyone has input regarding the guidelines, please contact Valerie Bryan or Deborah Floyd. The UGPC and UGC are working to clarify various governance issues. Please refer to the Graduate College web site for more information about the University Graduate Council and University Graduate Programs Committee activities.

Higher Education Symposium- All members were invited to attend this event that is an official part of the FAU Presidential Inauguration Week.

VII. Meeting Adjourned by Deborah Floyd at 2:05pm.
