PROJECT FACT SHEET
Construction Management Services
GLADYS DAVIS PAVILION BUILDING ADDITION
BT-645 (P-7394)
Florida Atlantic University

PROJECT DESCRIPTION

Located on Florida Atlantic University’s Boca Raton Campus, the Gladys Davis Pavilion Addition consists of site development and construction of 6,856 GSF to be added to the existing building. The project, as designed by Bloc 3 Design, consists of the following components: site work/utility infrastructure along with construction of classrooms, offices and office support space and common areas consisting of lobby, lounge and public bathrooms.

SHORTLIST SELECTION CRITERIA

Firms will be evaluated in the following areas: Experience and ability, past experience; bonding capacity; record-keeping; administrative ability; critical path scheduling expertise; cost estimating; cost control ability; quality contract capability; and qualification of the firm’s personnel, staff and consultants.

Experience and ability scores will be based on the following criteria:

1. Experience in projects of similar size and scope.
2. Experience in working with Universities.
3. Experience in constructing projects on an active/occupied university site.
4. Proven experience in managing project cost from pre-construction services through construction phase.

SELECTION COMMITTEE:

Azita Dotiwala – Director, Facilities Management Budget and Planning
Dr. Larry Faerman - Associate Vice President & Dean of Students, Student Affairs
Dr. Russ Ivy – Associate Provost & Professor
Numa Rais – Direct of Design & Construction Services
Paul Scarpinato Jr. – Assistant Dean, Lab Operations & Engineer & Technology Core Management

GENERAL INFORMATION

1. The University is not liable for any costs incurred by the Applicants prior to the issuance of an executed contract.
2. In order to minimize the possibility of unethical pressures or influences on the recommendation of the Selection Committee, no verbal or written communication is permitted between the applicants and the members of the Selection Committee. Any questions or requests for project information must be in writing to Helen Kennedy at hknedd2@fau.edu.
3. Results of the shortlist will be posted on the FAU FM website at http://www.fau.edu/facilities/avp/AE-CM-advertise-home.php. Finalists will be informed of the interview date and time and will be provided with additional project information as available.
4. The Selection Committee will make a recommendation to the President of the University. Final results will be posted to the FAU FM website at http://www.fau.edu/facilities/avp/AE-CM-advertise-home.php. Upon approval by the President, negotiations will be conducted in accordance with Section 287.055, Florida Statutes.
5. Project information is available on the FAW FM website at: http://www.fau.edu/facilities/avp/facility-programs-home.php. The full set of construction documents will be provided to the shortlisted candidates.
