NOTICE TO PROFESSIONAL CONSULTANTS

Florida Atlantic University, on behalf of its Board of Trustees, announces that Professional Services in the discipline of Architecture (with Engineering Consultants), will be required for the project listed below:

Project No. BT-652

Project and Location: Located on Florida Atlantic University’s Boca Raton Campus. The project for the A.D. Henderson Lab School consists of site development and the design of a complex that will consist of a K-8 building, auditorium and gymnasium buildings. The full buildout of the complex is estimated at $52.5 million. The project is planned in multiple phases to allow for individual delivery of each of the three buildings. The first phase includes the design and construction of approximately 95,000 GSF of new construction (classrooms, teaching labs, offices, study space, swimming pool and outdoor environmental restoration lab) and renovation of the approximately 8,000 GSF in the existing building 26D. The total construction budget (including site development) is estimated at approximately $29.2 million; with a total project cost of $35.8 million. The selected firm will provide master planning, program verification, site development, schematic design, design development, construction documents and construction administration for the referenced project. Site master planning and conceptual design phase of the project is to provide for the full buildout of the complex as detailed in the A.D. Henderson Site Master Plan. The new facility is to be designed and constructed to meet a minimum LEED silver or equivalent sustainable rating standard. Blanket professional
liability insurance will be required for this project in the amount of $1,000,000, and will be provided as a part of Basic Services.

INSTRUCTIONS:

Firms desiring to apply for consideration shall submit a letter of application.

The letter of application should have attached:

1. A completed "Florida Atlantic University Professional Qualifications Supplement" (FAUPQS). Applications on any other form may not be considered.

   Selection of finalists for interview will be made on the basis of professional qualifications, including experience and ability; past experience; design ability; volume of work; and distance from project. For this project, the location factor has been adjusted with a scale of 0-5 points based on proximity of the applicant’s location to the project. Selection criteria information and rating scale is available on the project fact sheet.

2. A copy of the applicant's current Professional Registration Certificate from the appropriate governing board. An applicant must be properly registered at the time of application to practice its profession in the State of Florida. If the applicant is a corporation, it must be chartered by the Florida Department of State to operate in Florida.

Submit five (5) sets and one (1) electronic copy of the above requested data bound in the order listed above along with an electronic PDF copy of the submittal. Applications which do not comply with the above instructions may be disqualified. Application materials will not be returned. The plans and specifications for the State of Florida University projects are subject to reuse in accordance with the provisions of Section
287.055, Florida Statutes. As required by Section 287.133, Florida Statutes, a consultant may not submit a proposal for this project if it is on the convicted vendor list for a public entity crime committed within the past 36 months. The selected consultant must warrant that it will neither utilize the services of, nor contract with, any supplier, subcontractor, or consultant in excess of $35,000 in connection with this project for a period of 36 months from the date of their being placed on the convicted vendor list. FAU Professional Qualifications Supplement and the Project Fact Sheet are available online at http://www.fau.edu/facilities/avp/AE-CM-advertise-home.php or by contacting the University’s Sole Point of Contact for this project, Ms. Helen Kennedy, Facilities Management Administrative Assistant, Telephone (561) 297-2663, Fax (561) 297-2260 or email: hkenned2@fau.edu. A copy of the draft facilities program is available at http://www.fau.edu/facilities/avp/AE-CM-advertise-home.php.

From the date of issuance of this Notice until a final selection of a consultant is made or a notice of cancellation is posted, the consultant must not make available or discuss its proposal, or any part thereof, with any employee or agent of the University, unless permitted by the Sole Point of Contact, in writing, for purposes of clarification only, as set forth herein.

Any individual associated with a consultant who contacts any other university employee, including but not limited to members of the Selection Committee, regarding any aspect of this project, who attempts to discuss the project with any representative of FAU other than the Sole Point of Contact, whether such contact be in person, telephone, or through electronic or written correspondence, may be determined to have violated the terms and conditions of this solicitation. If that determination is made, any proposal received from such an individual OR their company may be rejected as non-responsive and not subject to evaluation. If there
are any changes or additions to the Sole Point of Contact information at any time in the process, participating consultants will be notified via an addendum to the Notice.

Questions regarding the Notice and/or process should be submitted via fax or email to the **Sole Point of Contact.** No oral communications shall be considered as a change to the Notice. FAU may respond to questions deemed by the University to be material in nature via a written addendum to the Notice. Interpretation of the wording of this document shall be the responsibility of the FAU and that interpretation shall be final.

All postings referred to in this Notice will be posted electronically on the FAU Facilities website: [http://www.fau.edu/facilities/avp/AE-CM-advertise-home.php](http://www.fau.edu/facilities/avp/AE-CM-advertise-home.php). At all times it shall remain the responsibility of the consultants participating in this solicitation to check the website for postings of addenda, short lists, and award decisions. No further notice will be given.

**Five (5) bound sets** and one (1) electronic copy of the required proposal data shall be submitted to: Design & Construction Services, Florida Atlantic University, 777 Glades Road, Campus Building Operations Bldg. #69-Room 111, Boca Raton, Florida 33431 by **4:00 P.M. local time on Tuesday, January 7, 2020.**
