Facilities Planning
Policy & Procedure #17

TITLE
ANNUAL FACILITY PERMIT

OBJECTIVE AND PURPOSE
In lieu of an individual permit for each alteration of an existing electrical, gas, mechanical, plumbing or interior non-structural office system(s), the Building Official is authorized to issue an Annual Facility Permit to facilitate routine or emergency service, repair, refurbishing, minor renovations of service systems or manufacturing equipment installation/relocation, per 104.1.7 FBC. The permit interval runs from July 1 thru June 31st.

RESPONSIBILITY

PHYSICAL PLANT DIRECTOR OR PERMIT HOLDER
♦ Applies for an Annual Facility Permit (Attachment “A”) by formulating a general description of the activities he intends to engage in and the building on which he intends to work.

BUILDING CODE ADMINISTRATOR
♦ At the discretion of the Building Code Administrator, issue an Annual Facility Permit to the Director of Physical Plant to facilitate minor repairs and renovations.
♦ Shut down the work or declines the renewal of the permit should building code violations be found, records mismanaged or not filed in a timely manner.

BUILDING CODE COORDINATOR
♦ Periodically monitor and inspect the work of the Physical Plant Director to verify that work is being done in accordance with the Florida Building Code.
♦ Verifies that the Annual Facility Permit Log (Attachment “B”) outlining the work is being properly kept and work is being accurately recorded.

PHYSICAL PLANT DIRECTOR OR PERMIT HOLDER
♦ Maintain detailed log of construction activities and files it annually with the Building Code Administrator. Additionally, the log shall be submitted monthly to the Building Code Coordinator in a timely manner (5th of the month) or the Annual Facility Permit may be revoked by the Building Code Administrator.
♦ Shall employ only skilled and/or licensed workmen to execute the work and assure adequate safety program is in place.
♦ Verifies that all non-university workers who are retained to perform any work under the Annual Facility Permit have appropriate state or local licenses and insurance.
♦ Ensures that work complies with all provisions of the Florida Building Code, Life Safety Code, and all other applicable codes.
♦ Shall notify the Building Code Administrator if any major changes occur in the scope of the work.
