

## ELEMENT 6 - SUPPORT FACILITIES ELEMENT

### Goal 1

To ensure provision of support facilities to meet the needs of the campus.

### Objective 1A

Provide support facilities to support the mission of the University and to keep pace with the demands generated by enrollment growth.

#### **Policy 1A-1**

Periodically assess food service operations to ensure increased availability and variety as the campus population increases.

#### **Policy 1A-2**

Periodically assess child care operations to ensure appropriate availability and variety of services to the campus population.

#### **Policy 1A-3**

Develop procedures to ensure proper input for design of recreation facilities, by including input from the student body, Student Affairs, Campus Administration and the Recreation and Grounds departments.

#### **Policy 1A-4**

Continue to fund support facilities, both new construction and remodeling/renovation projects, based on PECO funding processes. Actively seek alternative or additional private funding for new support facilities

#### **Policy 1A-5**

Continue to amend the adopted campus master plan as necessary to include the results of studies conducted in 1A-1 thru 1A-4.

#### **Policy 1A-6**

Fund support facilities based on legislatively allocated and PECO funding processes. At the same time, actively seek alternative or additional private funding for new support facilities.

#### **Policy 1A-7**

Support facilities shall be located as shown in **Figure 6.1**.

**6 Support Facilities Element**

**Policy 1A-8**

Continue to plan and build support facilities projects contained in the 10-year Capital Improvements Schedule for the John D. MacArthur Campus (see **Capital Improvements Element 14**).

**Objective 1B**

**Construct new support facilities including intramural, and casual-use athletic facilities to support the mission of the University and to keep pace with the demands generated by enrollment growth. See Figure 6.1.**

**Policy 1B-1**

Commence/complete support projects contained in the 10-year Capital Improvements Schedule for the John D. MacArthur Campus (see **Capital Improvements Element 14**).

**Policy 1B-2**

Seek CITF funding for new recreation facilities.

**Policy 1B-3**

Construct portions of the long-range court sports for use by the on-campus residents that might include tennis, basketball, and sand volleyball courts.

**Policy 1B-4**

Construct a portion of the intramural, sports and recreation facilities shown on **Figure 6.1** in keeping with the available CITF funds. Such facilities might include a multi-purpose field, softball field, and general open space.

**Policy 1B-5**

The University will establish a list of specific intramural, sports and recreational facilities and a schedule for their development in keeping with the pace of residential development and the growth Campus enrollment.

**Policy 1B-6**

The University will establish appropriate support facility priorities in the Fixed Capital Outlay Budget Request (PECO List).

**Policy 1B-7**

The University will establish, and update as necessary, a consolidated support facility priority listing to combine all new support facility construction programs, whatever the source of funding.

**6 Support Facilities Element**

**Policy 1B-8**

The University's President, in conjunction with the University Architect , Vice President of the John D. MacArthur Campus or their designee, with the assistance of the Associate Vice President's Office, will review current requirements and funding availability for the development of future support facilities.

**Policy 1B-9**

The University will encourage energy efficiency and conservation techniques in all future facilities with the intent to meet or exceed the state energy design guidelines.

**Policy 1B-10**

Locate unforeseen facilities (arising from grant awards or other circumstances) according to schematic sites and zones as delineated on the master graphic, **Figure MP.1**. Amendments to the plan that alone, or in conjunction with other plan amendments, exceed the thresholds established in s.1013.30 (9), F.S., shall be reviewed and adopted pursuant to ss.1013.30 (6)-(8), F.S. Further, amendments that do not exceed these thresholds shall be consolidated into a single annual submission and submitted through University Architect to the Board of Trustees for approval per Policy and Procedure AVP #22.

**Objective 1C**

**Properly maintain recreational facilities.**

**Policy 1C-1**

Allocate funds from the SGA A&S fees to support Recreation Department operations.

**Policy 1C-2**

Establish revised procedures and funding to maintain recreational facilities.
