Housing Supporting Data

The purpose of the Housing Element is to ensure provision of public and private housing facilities on the University campus and within the host community adequate to meet the needs of the projected University enrollment. Since, by Boards of Regents policy, a branch campus is not allowed to develop housing facilities, no data and analysis requirements for this element will apply.

- 1. Inventory and Analysis of Existing Conditions**
Since there is no existing Campus Housing, data on existing on-campus housing units/beds does not exist, therefore this data requirement does not apply.
- 1.a. Inventory of Existing Beds**
Not applicable - See Item 1 above.
- 1.b. Inventory of Existing On-Campus Graduate Student Housing**
Not applicable - See Item 1 above.
- 1.c. Inventory of Existing On-Campus Married Student Housing**
Not applicable - See Item 1 above.
- 1.d. Inventory of Other On-Campus Housing (Fraternity and Sorority)**
Not applicable - See Item 1 above.
- 1.e. Inventory of Historically Significant Housing**
Not applicable - See Item 1 above.
- 1.f. Types of Existing Housing**
Not applicable - See Item 1 above.
- 1.g. University Provided Housing Off-Campus**
Not applicable - See Item 1 above.
