
FLORIDA ATLANTIC UNIVERSITY MASTER PLAN

Master Plan Overview

The Master Plan graphic, **Figure MP.1 and MP.2**, show diagrammatically how the campus will be developed over a 10-year period in accordance with the planning parameters of the selected scenario. **Figure MP.0** shows a color rendering of the campus.

The long-range vision shown in the graphic is the goal toward which intermediate steps in the FAU Master Plan will lead. The first phase of planned development is shown on **MP.1**.
