
FAU TREASURE COAST MASTER PLAN

HOUSING ELEMENT

Goal 1

To ensure provision of public and private housing facilities on the campus and within the host community adequate to meet the needs of FAU's enrollment.

Objective 1A

Ensure adequate housing and support facilities for FAU needs.

Policy 1A-1

By Board of Regents policy, a branch campus is not allowed to develop housing facilities. Therefore, no housing buildings exist at the Treasure Coast Campus.

Objective 1B

To coordinate with the host community to ensure an adequate supply of affordable off-campus student housing to meet projected needs.

Policy 1B-1

The University's Housing Department will respond to requests for information from appropriate host community agencies regarding expected student population, off-campus housing needs, and related issues such as security, transit, etc.

Policy 1B-2

The University will establish programs to make available information about off-campus housing. Off-campus housing providers will be allowed to register with the Housing Department and display information at the University. Students are welcome to access information.

Policy 1B-3

The University's Housing Department will develop information retrieval systems by which students may obtain information about available off-campus housing.

FAU TREASURE COAST MASTER PLAN

Policy 1B-4

The University shall, in conjunction with the host and affected local governments:

- Monitor the supply, costs, and suitability of off-campus housing;
- Monitor factors pertaining to safety, transit utilization, pedestrian access, etc.;
- Promote the location of new off-campus student-oriented housing opportunities within walking or bicycling distance to campus; and
- Promote the location of convenient service and shopping opportunities for students near off-campus student-oriented housing units.
