**What is an outside resource?** An outside resource is any form of financial assistance you receive that is awarded based on your educational pursuit and is not processed through the University's Financial Aid, Controller, Foundation or Directed Research offices.

**What is to be included on this form? You must inform us of any outside resource you receive.** Examples would be a scholarship check made payable directly to the student, or support from an outside agency that will be covering educational expenses for the student in the form of direct reimbursement.

**What is NOT to be included on THIS form** Any resources which are processed through the University system, such as: Florida Pre-paid, Student Loans, Financial Aid Grants, Florida Bright Futures, FAU Tuition Exemptions, VA Educational Benefits, FAU Scholarships or Scholarships made directly payable to FAU or co-payable to FAU/Student.

**Instructions:**

If you have additional outside resources that cannot be processed through the FAU BANNER system, enter the information below and submit to the nearest Office of Student Financial Aid for processing (no faxes accepted).

**Should it later be found that you are receiving outside resources which you neglected to report; your financial aid package will be adjusted retroactively to include these resources. This may result in you being required to repay previously disbursed financial aid.**
