Based on information obtained from the National Student Loan Database System (NSLDS), it appears that you are scheduled to receive federal aid disbursements from your previous institution for the same period of attendance you are requesting to receive federal aid from FAU. In order to ensure that you are awarded in compliance with federal regulations, FAU needs to obtain confirmation from your previous school that they have cancelled any pending federal aid disbursements.

Please sign below to authorize your previous institution to release federal aid information to the FAU Office of Student Financial Aid. Please specify which FAU branch campus (from those listed above) the information should be faxed to. After signing below, this form should be submitted to your previous institution for processing.
