Educational and General Operating Budget

Analysis:

The Educational and General figures presented in this document reflect initial budgets approved by the Board of Trustees in June. Included in this budget are Federal Stabilization funds, which reflect the second year of a two year non-recurring allocations.

Summer 2010 enrollment exceeded budgeted projections by 13.1% and the Fall semester enrollment looks to exceed the budgeted projections by 19,736 credit hours (7.7%). Fall 2010 headcount was 28,325, an increase of approximately 2.2% over Fall 2009 headcount of 27,707. If Spring enrollments meet projections we can anticipate that student credit hours will equal 623,727, an increase of 5.4% over our initial enrollment projections and an all-time high for FAU.
The Student Financial Aid budget largely represents scholarship and loan funds that are received by the University and subsequently disbursed to students. Included in the budget are funding from student financial aid fees as well as financial aid support from all sources such as federal financial aid awards (Pell, Student Educational Opportunity Grants, Perkins Loans, Stafford Loans), state financial aid awards (Bright Futures, Florida Assistance Grants), Institutional Programs (Presidential Awards, MLK Scholarships) and Private Scholarships (FAU Foundation).

Student financial aid fees are established by the legislature. Current per-credit hour financial aid fees for 2010-11:

$ 4.78  Undergraduate In-State
$25.95  Undergraduate Out-of-State
$13.02  Graduate In-State
$41.89  Graduate Out-of-State
