OVERVIEW OF THE PARENT PLUS, GRADUATE PLUS, AND PRIVATE LOAN PROCESS

1. Borrower (note: on a Parent PLUS loan, the parent is the borrower) contacts their chosen lender and applies for loan or initiates loan pre-screen. When applying, the borrower should specify the actual loan amount desired, as well as the enrollment period for which the loan is intended.
2. Lender evaluates borrower (and co-borrower, if applicable) credit and decides to approve or deny loan.
3. Lender sends notice of approval / denial to FAU Office of Student Financial Aid.
4. **If approved**, FAU will process the requested loan for an amount equal to either (1) the borrower requested amount or (2) the maximum the student is eligible to receive (calculated as the student's Cost of Attendance Estimate minus all other anticipated aid or assistance for the same enrollment period), whichever is less.

PARENT PLUS, GRADUATE PLUS, AND PRIVATE LOAN INCREASE REQUESTS

Borrower requests for Parent PLUS, Graduate PLUS, or Private loan increases MUST be initiated by the borrower with their preferred lender.

Borrower requests for Parent Plus, Graduate Plus, and Private Loan increase requests will be processed by the FAU Office of Student Financial Aid in accordance with the steps outlined above.
