8:15 – 8:45 a.m. Registration

8:45 – 9:00 a.m. Welcome/Opening Remarks

9:00 – 9:30 a.m. Growth Management Laws and the Effects on Comprehensive Land Use Plans

In 2009 the Florida Legislation passed significant revisions to Growth Management Laws [360/1021]. This new legislation has varying effects on jurisdictions in Miami-Dade, Broward and Palm Beach County. Learn the details of the laws and the needed adjustments, within two years, to comprehensive plans.

Speaker: Samuel S. Goren, Esquire
Goren, Cherof, Doody, and Ezrol

9:30 – 10:00 a.m. Lifestyle and Transportation Modeling

The standard lifestyle travel models (FSUTMS) reflect such elements as seasonal residents, retirees and income as model input. Learn how to work with economists to measure additional lifestyle socio-economic characteristics associated with large scale communities.

Speaker: Steve Leung, Vice President – Transportation
David Plummer and Associates

10:00 – 10:30 a.m. I- 95 Express High Occupancy Toll Lane

The Florida Department of Transportation developed an innovative High Occupancy Toll (HOT) lanes project, in record time, going from concept to construction in less than a year. This presentation will address the factors that went in to the development of 95 Express, the lessons learned since implementation, and future plans to create a network of express lanes.

Speaker: Alice N. Bravo, PE
Director of Transportation Development, FDOT

10:45 – 11:15 a.m. Video Enforcement of Red Light Running

Many local jurisdictions in South Florida have embraced video detectors to identify violators at signalized intersections. These violators are mainly vehicles entering intersections on red. This presentation will include the applicable statutes, operations, ticketing, appeal and collections.

Speaker: Eugene Calvert, PE, PTOE
Principal Project Manager, Collier County Traffic Operations Division

11:15– 11:45 a.m. Urban Land Institute Shared Parking

In 2005 ULI published the Second Edition of “Shared Parking”. The new addition adds more land uses as well as a larger range of time of day, weekday and monthly variation factors. These new analysis procedures will be presented.

Speaker: David S. Plummer, PE
David Plummer and Associates

12:00 p.m. Voluntary tour of the Broward County Traffic Intelligent Transportation System Facility

The John Scott Dailey Florida Institute of Government at Florida Atlantic University was established in 1982 as an affiliate of the John Scott Dailey Florida Institute of Government. Our primary mission is to forge closer government-university ties to address the needs of state, regional, and local governments and nonprofit agencies. Our service area includes Broward, Glades, Hendry, Indian River, Martin, Miami-Dade, Monroe, Okeechobee, Palm Beach, and St. Lucie counties. The host organization for the Institute at FAU is the College of Architecture, Urban and Public Affairs.

REGISTRATION: Advance registration is required, and the deadline is two weeks prior to the date of the program. The registration fee includes morning refreshments. Please feel free to duplicate the registration form, but do not put more than one name on each form. A check, purchase order or credit card is necessary to guarantee registration. To register, please complete the registration form and mail, along with your check or purchase order made payable to FAU, to:

John Scott Dailey Florida Institute of Government at FAU
Bldg. 44, Room SO 277
777 Glades Road
Boca Raton, FL 33431

You may also register online at www.fau.edu/fiog. Or you may fax your registration to 561/297-4479 and send the check or purchase order separately. **We are pleased to accept payment by agency credit/purchasing card or individual credit/debit card.** If your organization wishes to pay in that manner, please call 561/297-3749 (our website does not provide a secure method for paying via credit card). Confirmation and driving directions will be emailed to you upon receipt of your registration. Requests for refunds must be submitted in writing and received no later than one week prior to the class. In those cases, the registration fee, less a \$25.00 administrative charge, will be refunded. No requests for refunds will be honored after that date. Non-attendance does not constitute a withdrawal or refund request. We reserve the right to cancel this program; in that case, the registration fee will be refunded in full. Please call us at least seven days in advance if you require reasonable accommodation under the Americans with Disabilities Act.
