

All SLS 1503 classes share the following goals:

- to assist students in their transition into FAU
- to assist students in developing and/or improving essential academic skills
- to assist students in making a “connection” with the university
- to assist students in becoming oriented to campus resources and facilities
- to assist students in goal setting and short and long-term planning
- to assist students in developing analytical and critical thinking skills
- to assist students in improving their written and oral communication skills
