• CPA is officially registered for SEPC. I know AXiD and Sigma Kappa is interested. We have booked our registration and a hotel so if your chapter is still interested you still have time to register before the second window ends Feb 13th and before the price is $325. It's not mandatory but I encourage all chapter leaders to go.
• Standards of excellence packets are due the end of February. Your presidents and sponsor chairs should already have the packets with all the information if not they are available in the SIL room. They will be due feb 26th.
