GREEK WEEK PHILANTHROPIC EVENTS

Kick-Off Water Wars (Monday, March 28th, 2016)

Teams can visit their team’s table where water vases will be stationed. Team members are encouraged to donate and provide: their name, Greek Week team name, and Chapter name. The water vase for their team will be filled in proportion to the amount of money donated. (i.e. ½ cup per $1.00) The money raised by this event will be donated to Children’s Miracle Network Hospitals as part of OwlThon 2016.

Teams will also be given points according to where they place amongst all teams for total money raised at Water Wars. The team with the most money raised/most water collected will also be rewarded with selecting the performance order for Greeks Got Talent.

Charlotte’s Webs (Wednesday, March 30th, 2016)

The Greek Week executive team members will be selling “Charlotte’s Web” style spider webs before Education Night at 6:00 p.m. – 7:00 p.m. to raise money. Each team will have a barn on the lobby wall to put their webs on. For each donation added to the team, a web will be added to the barn. Webs will be $5.00 each. The money raised by this event will be donated to Children’s Miracle Network Hospitals as part of OwlThon 2016. Teams will also be given points according to where they place amongst all teams for total money raised at Charlotte’s Web.

Giveback Night (Thursday, March 31st, 2016)

We will raise money for Children’s Miracle Network by hosting giveback nights. Giveback nights are when a restaurant agrees on a certain day and time frame to give a portion of their earnings to a nonprofit organization. We are proud to work with multiple locations in Boca Raton to allow teams to go out with their team members and be able to have a portion of the money spent on their meals donated to Children’s Miracle Network. The restaurants participating are Cannoli Kitchen, Smoothie King, and Corner Bakery. See page 11 for more details. Keep receipts to be turned in at Greek Games to the Executive Board. Points will be given to teams with receipts totaling more than $5 before taxes. Teams will be ranked first through sixth place based on amount of receipts given.

OwlThon (Saturday, April 2nd, 2016)

Greek Week will end with OwlThon, which begins at 1:00pm in Campus Recreation. Each chapter should be raising money online through their chapter’s team page; at the end of the week, the Greek Week committee will add up the total amount of money raised by each Greek Week Team by adding together the totals each chapter within that team raised at the end of OwlThon (i.e. Team 1 will be the cumulative total of how much Chapter A raised, how much Chapter B raised, how much Chapter C raised, and so forth). Points will be awarded based on rankings (most money raised = 1st, second most money raised = 2nd, and so forth).

EDUCATION NIGHT
Wednesday, March 30th, 2016

Wednesday, March 30th, 2016

Education Night will take place in the Barry Kaye Auditorium. Check-in will start at 6:00pm in the Student Union. Required attire for Education Night will be dressed to pin. All members of organizations and teams who are checked in will be ushered into the Barry Kaye Auditorium to enjoy speaker, Pete Mockaitis, who will talk about personal growth.

Education Night will begin promptly at 7:00pm. We encourage all listeners to take interest and be respectful of the speaker. Misconduct will not be tolerated in any way and those who are disruptive will be asked to leave and attendance will not count for that individual. Greek Week scoring for Education Night will be based on attendance. The attendance will be based on the percentage of team members that are available to attend, meaning that those who are excused because of class do not count toward that percentage calculation.

In order to have those members of your team that cannot attend due to class excused and not counted toward your percentage calculation, the team must send the following information: team member’s name, organization, course name, instructor name and email. The Fraternity and Sorority Life Office will confirm the information and excuse them from attending and from being part of your team’s percentage calculation. **This information is needed by March 16th, 2016; no exceptions.**

Throughout the event, there will be a “Charlotte’s Web” themed table where each team can donate money to their team’s designated barn-styled box. Each time someone donates $5.00, a web will be added to their team’s barn. The team with the most money raised/most webs in their boxes will receive the most points.

GREEK GAMES
Friday, April 1st, 2016

Be prepared to use your athleticism as well as your brain in the 2016 Greek Week Greek Games. Each competing team must include members from each Greek organization or council included on their team. Greek Week Executive Board would like to remind participants that this event is to promote Greek Unity and proper action will be taken if there is any misbehavior or misconduct. Games will be held at Henderson fields. Greek Games will be split into two portions on the evening of April 1st, 2016:

**Flag Football**
- Two brackets of flag football will be held, male and female. Therefore, each Greek Week team will have a men’s and a women’s team representing them. Brackets will be determined by the placement of each team at the time of the games.
- Each team will check in between 4:00pm and 4:45pm. If you are participating in a sport and not checked in by 4:45pm, your team will be disqualified. Each team player must be a member of a Greek organization in good standing at Florida Atlantic University.
- Each team will have a roster of 7 players and 3 alternates. A list of players (total of 10) must be emailed to Fraternity & Sorority Life via email (fslife@fau.edu) by Sunday, March 27th at 11:59pm.
- Games will consist of two 15-minute halves, with a running clock.
- Since there are 6 teams, after Round One, there will be 3 teams remaining.
- Each team player must wear closed-toed sneakers, athletic shorts without pockets, and be sure to have his or her shirt tucked in. No jewelry is allowed.
- Each team is expected to practice good sportsmanship on and off the field. Failure to do so will result in deducted points off of the team’s total. Executive board will rule on whether or not points need to be deducted.
- A coin toss will determine which team receives the ball at the beginning of each game.
- Each team is entitled to one 60 second time-out per half.
- Referees will have the power to warn or disqualify any player who goes against the rules for the game or practices unsportsmanlike conduct. Arguing with the referee will automatically result in disqualification of that team member for the remainder of Greek Games and possibly a deduction of points. (To be determined by Executive Board)
- Each team is allowed to appoint one team captain prior to the start of each event, who will speak with the Executive Board and referees on the team’s behalf.
- Any player who tries to tackle another player or who gets involved in any kind of confrontation with a member of another team will be automatically disqualified and asked to leave the event.
- Referees will go over official rules for the sport before the beginning of each game.
- If any team is concerned about official rules for flag football, please visit: [http://www.fau.edu/campusrec/imsports/rules.php](http://www.fau.edu/campusrec/imsports/rules.php) for more information.

**Tug of War**
- Two brackets of Tug of War will be held, male and female. Therefore, each Greek Week team will have two teams representing them. Brackets will be determined by the outcome of the flag football games.
- Tug of War will begin promptly after the final football game.
- Each team will consist of 7 people (the 7 people can be the same or different from the flag football team).
- Again, each team is expected to practice good sportsmanship on and off the field. Failure to do so will result in a deduction of points, to be decided by Executive Board.
OWLTHON & CLOSING CEREMONIES
Saturday, April 2nd, 2016

OwlThon
OwlThon will be the finale event of Greek Week. Each team will be allotted points based on their participation in OwlThon, as well as their ranking in total money raised for OwlThon via their online pages. Participation is defined as signing up AND showing up for OwlThon, and will be based off of the total number of individuals on that team who are signed up for OwlThon. If a chapter has more individuals signed up than are permitted to be dancers, the leftover individuals can still get participation points if they either attend as a “visitor” or volunteer to help with OwlThon operations.

For example, Team A has 300 individuals, and 250 have signed up for OwlThon. 150 of those individuals have been assigned to be dancers, so the other 100 individuals must either “visit” or serve as a volunteer for at least 1 hour. If 150 people dance and 50 more either visit or volunteer, that amounts to 200 total individuals participating; thus, the percentage will be 200 out of 250 for 80%.

If team members who were not able to sign up for OwlThon by the deadline still want to attend, they may do so only as a substitute for another member who had signed up.

Greek Week Executive Committee will have a separate check in station next to OwlThon where team members can sign in and out for Greek Week participation points. Participation points will only be granted for the team member if they sign in AND sign out, and they must stay for at least 1 hour.

Money Raised:
Points will also be awarded based off of money raised on the team’s donor drive pages (cumulative total for each chapter/council that makes up that team).

Points Breakdown:

Greek Week Chairs will be provided the official OwlThon packet which outlines rules and regulations for OwlThon, as well as how to register your members.
