Galway & Dublin, Ireland
Mathematical & Engineering Innovations
FAU Faculty-led Program
Summer: May 30 – June 10, 2018

This program offers students the opportunity to explore Ireland while being exposed to real life problems in mathematics and engineering. Students will start in Galway and utilize the student accommodations of the National University of Ireland which has been named 'University of the Year 2018' by the Sunday Times University Guide. Students will have the opportunity to engage with NUI faculty in discussions on innovations in mathematics and engineering while also visiting high-tech research institutes. Students will then travel by train to Dublin and utilize the campus and housing of the University College Dublin to further course discussions, see Dublin’s historic Dockland’s District and explore Ireland’s capital city.

Eligibility and Requirements:
- Overall GPA of 2.5 or higher for upper level undergraduate students only.

Course Offerings:
- MAT 4957: Calculus for Engineers - Applications (3 credits)

Program Highlights:
- High-tech visits in Galway such as the Center for Research in Medical Devices (Curam) & National Center for Biomedical Engineering Science (NCBES).
- Walking guided tour of Dublin’s historic Dockland District (major high-tech hub and Google’s European headquarters).
- Dublin Science Museum, walking tour, Book of Kells, St. Patrick’s Cathedral.

Application Deadline: Thursday, February 15, 2018 (with $100 administrative fee)

Program Costs: $1,736.00

Included:
- Lodging in Galway and Dublin, 5 breakfast meals, 3 group meals
- Group excursions and field trips, Dublin transportation pass
- CISI international health insurance

Not Included: FAU tuition (in state/out of state rates apply), airfare, $100 administrative fee, some meals, some transportation, and personal spending money.

For Additional Information:
Faculty-leader: Dr. Daniela Nikolova-Popova, College of Science, dpopova@fau.edu
Study Abroad Advisor: Madison McShane, Education Abroad, mmcsbshane@fau.edu
