Dublin, the capital of Ireland, is one of Europe’s top urban hotspots. This youthful city pulsates with a compelling mix of history, culture, and hip shops. Dublin is vibrant, cosmopolitan and is a truly captivating city surrounded by unspoiled countryside, breathtaking scenery, and a fascinating heritage just waiting to be discovered. The Dublin Institute of Technology (DIT) is Ireland’s largest higher educational institution with over 22,000 students. It has a city center location, small group teaching and one-to-one contact between staff and students. Visit the DIT web site to learn more about this great institution: www.dit.ie

Program Dates: Fall semester (Semester 1): Early September to mid-December
Spring semester (Semester 2): Mid-January to mid-May

Academic Program: DIT is the largest business school in Ireland and the Faculty of Business is the largest business faculty in Ireland, encompassing five distinct schools: School of Accounting and Finance, School of Management Studies, School of Marketing, and School of Retail and Service Management. During the induction week you will finalize your registration and learn more about campus and city life, health and safety, etc.

Eligibility: Undergraduate students with a 2.50 overall GPA or higher and sophomore standing and graduate students with a 3.0 GPA. Students must be declared College of Business majors, minors, or attaining a Business Certificate.

Courses: Modules available in Business & Management, International Business, and Marketing. Courses are instructed in English. At the link below, search under College of Business or business subject. Click the subject you want to know more about, then click on the blue module details box on the right side of the page towards the bottom, and then search for specific courses by clicking on the year. http://dit.ie/studyatdit/undergraduate/programmescourses/viewbycollege/#cob

Estimated Costs: Students may find the monthly estimates to be high or low depending on their personal choices. Airfare, FAU tuition (in state/out of state rates apply), FAU administrative fee ($200 semester/$250 year), and CISI insurance ($44 per month). Students must register with Garda National Immigration Bureau (€300). This is the breakdown of the estimated cost of living per month: meals (€300), accommodations (shared room €636-€750 and single room €820-€1500), electricity and heat for some accommodations (€46), local travel (€135), books & class materials (€75), and miscellaneous/personal spending (€300). Meal plans are available through Griffith Halls of Residence (100 meals/€595; 50 meals/€297; 25 meals/€149).

Living Accommodations: DIT does not have on-campus accommodations, but provide guidance for locating student accommodations in Dublin. Full details are available on http://www.dit.ie/campuslife/studentsupport/accommodation/. Griffith Hall of Residence is one such option, it is located on the grounds of Griffith College Dublin. For more information visit: www.ghr.ie. There is a $300 non-refundable housing application fee not included in the estimated costs above and bed linen and crockery/cutlery can be rented.

Application Deadline: April 24 for fall and November 6 for spring
