Israel

International Economics & Business Law Study Tour
FAU Faculty-led Program
Summer: July 26 – August 4, 2018

Students will gain knowledge about the Middle East with a focus on Israel while exploring many areas such as Tel Aviv, Jerusalem, Galilee and more. This program offers a look at the organizational framework related to resource allocation in Israel, the role of the international economy, and the importance of cultural differences in business development and practices. Through instruction and field trips, students will engage with faculty and students from Tel Hai College on topics related to Israeli economics, business law, development theories, and more. Students will have the opportunity to do independent research and develop basic research writing techniques.
