## PORTUGAL Exchange Program Lisbon ISCTE

Students at ISCTE

Colinas de Lisboa

Baía do Seixal

The capital of Portugal since its conquest from the Moors in 1147, Lisbon is a legendary city with over 20 centuries of History. Lisbon traverses the ages - From the 12<sup>th</sup> century Se Cathedral to the modern bridges spanning the Tagus River, from the 18<sup>th</sup> century Aguas Livres Aqueduct to the futuristic Oriental Station.

Fall semester, or first semester, begins in September and ends in February. Spring semester, or second semester, begins in February and ends in June. It is recommended that you choose the second semester because the first semester will interfere with spring semester at FAU.

**Student Program Services:** When arriving, students will be met at the airport by a student of ISCTE or by a member of the International Office, who will help and guide them during the first days of their stay. Within walking distance to ISCTE you will find the Academic Stadium of Lisbon (CDUL), with a variety of sports facilities like swimming pools, team courts, fitness centers, tennis courts, etc. The ISCTE's Students Association, AEISCTE, is an autonomous organization held by the students of ISCTE. Its mission is to socially and culturally complement the students academic life while they are with the ISCTE.

**Courses:** This program is part of the College of Business and offers a wide variety of courses; including subjects in Finance, Management, Economics, and Portuguese Language courses. Courses are taught in English and Portuguese. Students will be registered for 12-15 credits at FAU. Visit <http://iepm.ibs.iscte.pt/> for more information on the program and courses.
