La Mancha, Spain
Exchange Program
Universidad de Castilla La Mancha

UCLM is located in the historic La Mancha region of southeastern inland Spain. The main campus is located in the city of Albacete, located on the Don Juan River, a market center for agriculture produce such as fruit, saffron and wheat. The northern part of Albacete belongs to the high plains of New Castile while the southern part is generally mountainous. Established in 1982, UCLM is now home to more than 27,500 undergraduate and 1,500 post-graduate students. For more information, visit www.uclm.es.

Program Dates: Fall: September 10, 2018 to January 25, 2019
Spring: January 29, 2019 to June 17, 2019

Eligibility: Undergraduate and graduate students with a 3.0 overall GPA or higher. This program is open to students in all fields, but targets students in Engineering and Science.

Courses: Courses in English can be found by campus through the PDF’s at the bottom of the page, https://www.uclm.es/misiones/internacional/oferta_academica_ingles.
