**MAKE UP/LATE WORK:** Work will only be accepted late and/or tests will only be given as make-ups if proper documentation is provided. If a student is ill and not able to attend class for the exam, they must provide written documentation, on letterhead, from the hospital, clinic, or physician stating that they were not able to attend class.
No make-ups will be given after one full week has expired and all work not turned in by the assigned date must be submitted within 36 hours with the proper documentation.

Plagiarism Detection: Each student is expected to complete his/her assignments and tests on their own. Any essays, including possible extra credit, that are submitted will be filtered through SafeAssign. Papers with an originality report of more than 25% non-original material will be referred to the Dean’s office for review. Plagiarism may result in academic warning. In addition, the paper will be considered failed and receive a grade of zero. In the case of a possible extra credit assignment, the amount that could have been added will be taken away from the final grade.

Classroom Etiquette:
- Students are expected to refrain from the use of handheld Internet or texting devices during class and may only use computers to aid in note taking. Should a student be found in violation of this etiquette, they will be asked to leave class and take the absence.
- Cell phones should be turned off.
- Additionally, students are asked to sit in the chairs in a proper manner and keep feet from residing on other furniture.
- Out of courtesy to other students and to the professor, students are asked to arrive in a timely manner. Please note that two tardies constitutes one absence.

Students with Disabilities: In compliance with the Americans with Disabilities Act (ADA), students who require special accommodations due to a disability to properly execute coursework must register with the Office for Students with Disabilities (OSD) located in Boca Raton - SU 133 (561-297-3880). Any student registered with the office of Student Disabilities should present verification and need of assistance during the first week of classes. All possible and reasonable accommodation will be offered to that student through the course of the semester.

Religious Holiday Accommodation If you will be observing a religious holiday, please notify the instructor at least three days in advance via email. Please remember that as this course only meets one time per week, you must still turn in all assignments by the due date and acquire missed information from a classmate in a timely manner.

Incomplete Policy: A grade of Incomplete will be assigned only in the case of extreme emergency or illness. This grade will only be assigned when such a situation precludes the students’ ability to complete the Final Performance. If such a situation should occur, the student should contact the instructor prior to the start of the performance and should be in EXTREME cases only. Should this occur, the student will be required to complete the course the next time it is offered as no make up for a collaborative performance is possible or reasonable.

Code of Academic Integrity: Students at Florida Atlantic University are expected to maintain the highest ethical standards. Dishonesty is considered a serious breach of these ethical standards, because it interferes with the University mission to provide a high quality education in which no student enjoys an unfair advantage over any other. Dishonesty is also destructive of the University community, which is grounded in a system of mutual trust and places high value on personal integrity and individual responsibility. For full details of the FAU Code of Academic Integrity, see University Regulation 4.001 at http://wise.fau.edu/regulations/chapter4/4.001_Code_of_Academic_Integrity.pdf.
