Professional Expectations of Student Behavior

The Florida Atlantic University School of Social Work is mandated by the Council on Social Work Education (CSWE) to foster and evaluate professional behavioral development for all students in the social work program. The School of Social Work also bears a responsibility to the community at large to produce fully trained professional social workers who consciously exhibit the knowledge, values, and skills of the profession of social work. The values of the profession are codified in the NASW Code of Ethics. Given this context, all students in the social work program will be expected to exhibit the following ethical standards of behavior.

1. **Accountability**: Attend class, arrive on time, and return from break in a timely manner.

   *Participate in group activities and assignments at a comparable level to peers.*
   *Complete work in a timely fashion and according to directions provided.*
   *Come to class prepared, with readings and other homework completed.*

2. **Respect**: Treat all your peers, your instructors and all those you come in contact with, with dignity and respect at all times.

   *Listen while others are speaking.*
   *Give feedback to peers in a constructive manner.*
   *Approach conflict with peers or instructors in a cooperative manner.*
   *Use positive and nonjudgmental language.*
3. **Confidentiality**: Treat any personal information that you hear about a peer or an instructor as strictly confidential.

   Maintain any information shared in class, dyads or smaller groups within that unit.
   Use judgment in self-disclosing information of a very personal nature in the classroom. (Class time should not be used as therapy or treatment. If students feel the need to talk about issues they are struggling with, they may consult with their instructor to receive a referral for counseling.)
   Never use names of clients or disclose other identifying information in the classroom.

4. **Competence**: Apply yourself to all your academic pursuits with seriousness and conscientiousness, meeting all deadlines as given by your instructors. Constantly strive to improve your abilities.

   Come to class with books, handouts, syllabus, and pens
   Seek out appropriate support when having difficulties to ensure success in completing course requirements.
   Take responsibility for the quality of completed tests and assignment.
   Strive to work toward greater awareness of personal issues that may impede your effectiveness with clients.

5. **Integrity**: Practice honesty with yourself, your peers, and your instructors. Constantly strive to improve your abilities.

   Academic: Commit yourself to learning the rules of citing other’s work properly.
   Do your own work and take credit only for your own work.
   Acknowledge areas where improvement is needed.
   Accept and benefit from constructive feedback

   Submission of Papers: Students will submit their written assignments on paper and electronically. Electronic copies will be subject to plagiarism analysis and will be kept in electronic file for future reference. A student may not submit the same paper, or essentially the same, paper, project, assignment, or finished project to an instructor, which has been submitted to another instructor, unless specifically authorized by both instructors to do so.

6. **Diversity**: Strive to become more open to people, ideas, and creeds that you are not familiar with. Embrace diversity.

   Maintain speech free of racism, sexism, ableism, heterosexism, or stereotyping.
   Exhibit a willingness to serve diverse groups of persons.
   Demonstrate an understanding of how values and culture interact.
7. **Communication:** Strive to improve both verbal and written communication skills as these skills are used heavily in interactions with clients and peers and also with creating client records.

*Demonstrate assertive communication with peers and instructors.*

*Practice positive, constructive, respectful and professional communications skills with peers and instructor: (body language, empathy, listening)*

8. **Social Justice:** Strive to deepen your commitment to social justice for all populations at risk.

*Demonstrate an understanding of how institutional and personal oppression impede the experience of social justice for individuals and groups.*

*Strive to learn about methods of empowering populations and enhancing social justice at micro, mezzo, and macro levels.*

**Consequences of Unacceptable Behavior**

The School of Social Work may terminate a student’s participation in the program on the basis of professional non-suitability if the School’s faculty members determine that a student’s behavior has constituted a significant violation or pattern of violations of the NASW Code of Ethics, the FAU School of Social Work Student Manual, or the FAU Academic Policies and Regulations. Examples of violations that may lead to termination include (but are not limited to) the following:

1. Failure to meet or maintain academic grade point requirements as established by the University and the Social Work program.

2. Academic cheating, lying, or plagiarism.

3. Behavior judged to be in violation of the NASW Code of Ethics.

4. Failure to meet generally accepted standards of professional conduct, personal integrity, or emotional stability requisite for professional practice.

5. Inappropriate or disruptive behavior toward colleagues, faculty, or staff (at the School or in the field placement).

6. Consistent failure to demonstrate effective interpersonal skills necessary for forming professional relationships (for example, unable to demonstrate nonjudgmental attitude or unable to allow client self-determination).

7. Documented evidence of criminal activity occurring during the course of study.

For additional university-wide policies and regulations see the FAU Catalog at [http://www.fau.edu/academic/registrar/univcatalog/welcome.htm](http://www.fau.edu/academic/registrar/univcatalog/welcome.htm). This website contains
information on grading, incomplete grades, cheating on exams, plagiarism, expectations of student behavior, and communications devices (e.g., cell phones to be disabled during class sessions).

Class Attendance and Participation
Social work education is designed to help students prepare for professional practice. In order to model ethically appropriate practice, please treat coming to classes as you would treat working at an agency. Given the Council on Social Work Education’s requirements for professional behavior, attendance for all classes is required. More than one unexcused absence, excessive tardiness, or patterns of leaving early may result in a reduction of the final grade. Students may be asked to present a written excuse from a healthcare provider for excused absences due to illness or other documentation for other circumstances. Since participating in class is an integral part of social work education, it is vital that the student be in class; therefore, even with excused absences, the student may be required to withdraw or retake the class. If a student misses more than 2 classes – whether or not there is a documented, excused absence – the student may receive a substantial decrease in the final grade.

Policy on Use of Computers and Recording Devices in the Classroom
The School of Social Work prohibits the use of computers, audio recording, or video recording devices during instructional activities in classrooms, laboratories, and studios without the expressed written consent of the instructor. This prohibition does not apply to specific accommodations approved by the FAU Office for Students with Disabilities. When the instructor’s consent is given, the materials produced are for personal use only and are not for distribution or sale in any fashion.
