Important information about applying to Graduate School:

• Transcripts: Submit official transcripts in sealed envelopes from all schools attended.
  NOTE: If you attended one of the Florida State University System institutions, transcripts may be requested electronically.

• Supporting documentation: Supplemental applications, letters of recommendation, and/or portfolios should be submitted directly to your graduate program.

• Conduct: A "yes" answer to either of the conduct questions on the online application will require a written explanation. Additional information may be requested when your application is under review. Applications will not be fully processed until all conduct issues are cleared.

• Application status: Once your application has been submitted, you can check your application status online to ensure transcripts and test scores have been received.
  NOTE: Application status will say incomplete until an admission decision has been made.

• Residency classification: Your residency classification automatically defaults to non-Florida. After you are admitted, the residency officer will request additional documents by email if needed.
