

Graduate Programs

College of Engineering and Computer Science

Degree: Master of Science (M.S.)

Major: Civil Engineering

Research Areas : Infrastructure, Preparedness and Catastrophic Events Management, Environmental Sustainability, Intelligent Transportation System, Smart and Green Materials.

Important information about applying to Graduate School:

- ✓ **Transcripts:** Submit official transcripts in sealed envelopes from all schools attended.
NOTE: If you attended one of the Florida State University System institutions, transcripts may be requested electronically.
- ✓ **Supporting documentation:** Supplemental documents should be uploaded as separate files as part of the online graduate admissions application. NOTE: You will not be able to submit your application until all the supplemental materials are uploaded.
- ✓ **Conduct:** A "yes" answer to either of the conduct questions on the online application will require a written explanation. Additional information may be requested when your application is under review. Applications will not be fully processed until all conduct issues are cleared.
- ✓ **Application status:** Once your application has been submitted, you can check your application status online to ensure transcripts and test scores have been received.
NOTE: Application status will say incomplete until an admission decision has been made.
- ✓ **Residency classification:** Your residency classification automatically defaults to non-Florida. After you are admitted, the residency officer will review your application and request additional documents by email if needed.

Application Deadlines

Domestic Students

Fall: July 1

Spring: November 1

Summer: April 1

International Students

Fall: February 15

Spring: July 15

Summer: January 15

Admission Requirements

Domestic Students

- B.S. in Engineering or equivalent
- Undergraduate GPA of 3.0
- GRE test score of 145 (verbal) and 150 (quantitative)
- Two letters of recommendations
- Statement of personal objectives in essay form

International Students

- B.S. in Engineering or equivalent
- Undergraduate GPA of 3.0
- GRE test score of 145 (verbal) and 150 (quantitative)
- Three letters of recommendation
- Program evaluation of international transcripts
- * Program Evaluation
- TOEFL score of 550 or IBT of 79-80
