Graduate Programs

College of Engineering and Computer Science

Degree: Master of Science (M.S.)
Major: Civil Engineering

Important information about applying to Graduate School:

- **Transcripts:** Submit official transcripts in sealed envelopes from all schools attended.
  NOTE: If you attended one of the Florida State University System institutions, transcripts may be requested electronically.

- **Supporting documentation:** Supplemental documents should be uploaded as separate files as part of the online graduate admissions application. NOTE: You will not be able to submit your application until all the supplemental materials are uploaded.

- **Conduct:** A "yes" answer to either of the conduct questions on the online application will require a written explanation. Additional information may be requested when your application is under review. Applications will not be fully processed until all conduct issues are cleared.

- **Application status:** Once your application has been submitted, you can check your application status online to ensure transcripts and test scores have been received.
  NOTE: Application status will say incomplete until an admission decision has been made.

- **Residency classification:** Your residency classification automatically defaults to non-Florida. After you are admitted, the residency officer will request additional documents by email if needed.

Application Deadlines

**Domestic Students**
Fall: July 1
Spring: November 1
Summer: April 1

**International Students**
Fall: February 15
Spring: July 15
Summer: January 15

Admission Requirements

**Domestic Students**
- B.S. in Engineering or equivalent
- Undergraduate GPA of 3.0
- GRE is required; there are no minimum sub-score requirements
  This requirement is waived for applicants with a Civil or Environmental Engineering Bachelor’s degree from any ABET-accredited program and applicants who have passed the Fundamentals of Engineering exam.
- Two letters of recommendations
- Statement of personal objectives in essay form

**International Students**
- B.S. in Engineering or equivalent
- Undergraduate GPA of 3.0
- GRE is required; there are no minimum sub-score requirements
  This requirement is waived for applicants with a Civil or Environmental Engineering Bachelor’s degree from any ABET-accredited program and applicants who have passed the Fundamentals of Engineering exam.
- Three letters of recommendation
- A general evaluation of international transcripts is required; FAU will do the evaluation or it must be done by a NACES member
- TOEFL score of 550 on PBT (paper-based test) or 79 IBT (internet-based test) or 213 CBT (computer-based test); IELTS 6.0
