Graduate Programs

College of Arts and Letters
Degree: Master of Science (M.S.)
Major: Data Science and Analytics
Concentration: Data Science in Society

Important information about applying to Graduate School:

- **Transcripts**: Submit official transcripts in sealed envelopes from all schools attended. NOTE: If you attended one of the Florida State University System institutions, transcripts may be requested electronically.

- **Supporting documentation**: Supplemental applications, letters of recommendation, and/or portfolios should be submitted directly to your graduate program.

- **Conduct**: A "yes" answer to either of the conduct questions on the online application will require a written explanation. Additional information may be requested when your application is under review. Applications will not be fully processed until all conduct issues are cleared.

- **Application status**: Once your application has been submitted, you can check your application status online to ensure transcripts and test scores have been received. NOTE: Application status will say incomplete until an admission decision has been made.

- **Residency classification**: Your residency classification automatically defaults to non-Florida. After you are admitted, the residency officer will request additional documents by email if needed.
