## College of Business

**Degree:** Master of Science (M.S.)

**Major:** Data Science and Analytics

**Concentration:** Data Science in Business

### Important information about applying to Graduate School:

- **Transcripts:** Submit official transcripts in sealed envelopes from all schools attended.
  
  NOTE: If you attended one of the Florida State University System institutions, transcripts may be requested electronically.

- **Supporting documentation:** Supplemental applications, letters of recommendation, and/or portfolios should be submitted directly to your graduate program.

- **Conduct:** A "yes" answer to either of the conduct questions on the online application will require a written explanation. Additional information may be requested when your application is under review. Applications will not be fully processed until all conduct issues are cleared.

- **Application status:** Once your application has been submitted, you can check your application status online to ensure transcripts and test scores have been received.
  
  NOTE: Application status will say incomplete until an admission decision has been made.

- **Residency classification:** Your residency classification automatically defaults to non-Florida. After you are admitted, the residency officer will request additional documents by email if needed.

### Admission Requirements

#### Domestic Students

- Undergraduate GPA of 3.0 of the last 60 credits from a regionally accredited college or university
- Minimum GRE score of 151 Verbal and 151 Quantitative (scores older than five years will not be accepted)
