Graduate Programs

College of Engineering and Computer Science

Degree: Master of Science (M.S.)
Major: Mechanical Engineering

Important information about applying to Graduate School:

- **Transcripts**: Submit official transcripts in sealed envelopes from all schools attended. NOTE: If you attended one of the Florida State University System institutions, transcripts may be requested electronically.
- **Supporting documentation**: Supplemental applications, letters of recommendation, and/or portfolios should be submitted directly to your graduate program.
- **Conduct**: A "yes" answer to either of the conduct questions on the online application will require a written explanation. Additional information may be requested when your application is under review. Applications will not be fully processed until all conduct issues are cleared.
- **Application status**: Once your application has been submitted, you can check your application status online to ensure transcripts and test scores have been received. NOTE: Application status will say incomplete until an admission decision has been made.
- **Residency classification**: Your residency classification automatically defaults to non-Florida. After you are admitted, the residency officer will request additional documents by email if needed.

## Admission Requirements

### Domestic Students
- Undergraduate GPA of 3.0
- B.S. in Engineering or related field
- GRE is required; there are no minimum sub-score requirements

### International Students
- Undergraduate GPA of 3.0
- B.S. in Engineering or related field
- GRE is required; there are no minimum sub-score requirements
- A general evaluation of international transcripts is required; FAU will do the evaluation or it must be done by a NACES member
- TOEFL score of 550 on PBT (paper-based test) or 79 IBT (internet-based test) or 213 CBT (computer-based test); IELTS 6.0
