Graduate Programs

Charles E. Schmidt College of Science
Degree: Professional Master of Science in Medical Physics (MSMP)
Major: Medical Physics

Important information about applying to Graduate School:

- **Transcripts**: Submit official transcripts in sealed envelopes from all schools attended. NOTE: If you attended one of the Florida State University System institutions, transcripts may be requested electronically.

- **Supporting documentation**: Supplemental applications, letters of recommendation, and/or portfolios should be submitted directly to your graduate program.

- **Conduct**: A "yes" answer to either of the conduct questions on the online application will require a written explanation. Additional information may be requested when your application is under review. Applications will not be fully processed until all conduct issues are cleared.

- **Application status**: Once your application has been submitted, you can check your application status online to ensure transcripts and test scores have been received. NOTE: Application status will say incomplete until an admission decision has been made.

- **Residency classification**: Your residency classification automatically defaults to non-Florida. After you are admitted, the residency officer will request additional documents by email if needed.

Application Deadlines

**Domestic Students**
Fall: July 1
Spring: November 1
Summer Acceptance April 1st

**International Students**
Fall: June 1
Spring: October 1
No summer acceptance

Admission Requirements

**Domestic Students**
- Undergraduate GPA of 3.0
- GRE is required
- Two letters of recommendation
- Resume
- BA or BS degree in Physics or related field with a minor in Physics

**International Students**
- Undergraduate GPA of 3.0
- GRE is required
- Two letters of recommendation
- Resume
- BA or BS degree in Physics or related field with a minor in Physics
- A general evaluation of international transcripts is required; FAU will do the evaluation or it must be done by a NACES member
- TOEFL score of 550 (PBT) or 79-80 (IBT)
