Graduate Programs

Charles E. Schmidt College of Science
Degree: Doctor of Philosophy (Ph.D.)
Major: Chemistry

Research Areas: Tumor Invasion Mechanisms, Metalloenzymes, Natural Products Isolation, Natural Product Total Synthesis, Laser Raman Spectroscopy.

Important information about applying to Graduate School:

☑ Transcripts: Submit official transcripts in sealed envelopes from all schools attended.
   NOTE: If you attended one of the Florida State University System institutions, transcripts may be requested electronically.

☐ Supporting documentation: Supplemental applications, letters of recommendation, and/or portfolios should be submitted directly to your graduate program.

☐ Conduct: A "yes" answer to either of the conduct questions on the online application will require a written explanation. Additional information may be requested when your application is under review. Applications will not be fully processed until all conduct issues are cleared.

☐ Application status: Once your application has been submitted, you can check your application status online to ensure transcripts and test scores have been received.
   NOTE: Application status will say incomplete until an admission decision has been made.

☐ Residency classification: Your residency classification automatically defaults to non-Florida. After you are admitted, the residency officer will review your application and request additional documents by email if needed.
