Graduate Programs

Christine E. Lynn College of Nursing

Degree: Doctor of Philosophy (Ph.D.)
Major: Nursing

Research Areas: Healthy Aging, Health Equity, Holistic Nursing, and Transforming Healthcare Environments.

Admission Requirements

Important information about applying to Graduate School:

- **Transcripts**: Submit official transcripts in sealed envelopes from all schools attended. NOTE: If you attended one of the Florida State University System institutions, transcripts may be requested electronically.
- **Supporting documentation**: Supplemental applications, letters of recommendation, and/or portfolios should be submitted directly to your graduate program (if applicable).
- **Conduct**: A “yes” answer to either of the conduct questions on the online application will require a written explanation. Additional information may be requested when your application is under review. Applications will not be fully processed until all conduct issues are cleared.
- **Application status**: Once your application has been submitted, you can check your application status online to ensure transcripts and test scores have been received. NOTE: Application status will say incomplete until an admission decision has been made.
- **Residency classification**: Your residency classification automatically defaults to non-Florida. After you are admitted, the residency officer will review your application and request additional documents by email if needed.

Domestic Students

- Graduate GPA of 3.5 or higher
- Two letters of recommendation from academic and professional references one of whom is from a masters program and holds a doctorate
- Writing Sample
- Applicant’s goals for the Ph.D. program
- CV
