**Graduate Programs**

**College of Engineering and Computer Science**

**Degree:** Doctor of Philosophy (Ph.D.)  
**Major:** Ocean Engineering

**Important information about applying to Graduate School:**

- **Transcripts:** Submit official transcripts in sealed envelopes from all schools attended.  
  NOTE: If you attended one of the Florida State University System institutions, transcripts may be requested electronically.

- **Supporting documentation:** Supplemental documents should be uploaded as separate files as part of the online graduate admissions application. NOTE: You will not be able to submit your application until all the supplemental materials are uploaded.

- **Conduct:** A "yes" answer to either of the conduct questions on the online application will require a written explanation. Additional information may be requested when your application is under review. Applications will not be fully processed until all conduct issues are cleared.

- **Application status:** Once your application has been submitted, you can check your application status online to ensure transcripts and test scores have been received. NOTE: Application status will say incomplete until an admission decision has been made.

- **Residency classification:** Your residency classification automatically defaults to non-Florida. After you are admitted, the residency officer will review your application and request additional documents by email if needed.
