Graduate Programs

College of Engineering and Computer Science
Degree: Doctor of Philosophy (Ph.D.)
Major: Ocean Engineering

Important information about applying to Graduate School:

✓ Transcripts: Submit official transcripts in sealed envelopes from all schools attended. NOTE: If you attended one of the Florida State University System institutions, transcripts may be requested electronically.

✓ Supporting documentation: Supplemental documents should be uploaded as separate files as part of the online graduate admissions application. NOTE: You will not be able to submit your application until all the supplemental materials are uploaded.

✓ Conduct: A "yes" answer to either of the conduct questions on the online application will require a written explanation. Additional information may be requested when your application is under review. Applications will not be fully processed until all conduct issues are cleared.

✓ Application status: Once your application has been submitted, you can check your application status online to ensure transcripts and test scores have been received. NOTE: Application status will say incomplete until an admission decision has been made.

✓ Residency classification: Your residency classification automatically defaults to non-Florida. After you are admitted, the residency officer will request additional documents by email if needed.

Admission Requirements

Domestic Students
- Master’s degree in Engineering, Computer Science or related discipline
- Undergraduate GPA of 3.0
- Graduate GPA of 3.0
- GRE test score of 145 (verbal) and 150 (quantitative)
- Two letters of recommendation

International Students
- Master’s degree in Engineering, Computer Science or related discipline
- Undergraduate GPA of 3.0
- Graduate GPA of 3.0
- GRE test score of 145 (verbal) and 150 (quantitative)
- Two letters of recommendation
- A general evaluation of international transcripts is required; FAU will do the evaluation or it must be done by a NACES member
