## GET CARDED: Set a Record... Save a Life

The Center for Civic Engagement & Service will be hosting "Set a Record Save a Life". The event is intended to create awareness about the importance of becoming an organ donor, by having guest speakers, information tables, and creating the worlds largest human support ribbon. At the event, we will be attempting to SET the **GUINNESS WORLD RECORD** for the largest human-made support ribbon. As the FAU Greek community is one of the most important groups on our campus and we would like to see all of your members present, supporting OUR UNIVERSITY and organ donation. There will be free food and t-shirts for all who participate in the ribbon. For those students who register to become an organ donor they will receive a special gift.

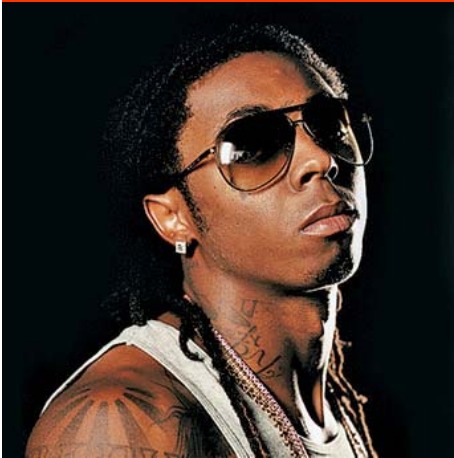

The event will take place on November 15, 2007 from 2 pm-4 pm in front of the IRT lawn. Before our November 15th event our Get Carded Committee would like to educate all fraternities and sororities about the organ donation. We would like to set up a time to show our 5-10 minute presentation at your next chapter meeting.

If you have any questions please contact Jose Herrera, from the Office of Civic Engagement & Service, at [jherrer4@fau.edu](mailto:jherrer4@fau.edu).

The picture below is of University of Central Florida, they have approximately 341 students creating this ribbon. We want to have 1000 FAU students creating this ribbon!!!!!!!!!!!!!!

**What is the most beneficial part of being a member of the FAU Greek Community?**

Meeting important people who will be able to help you out throughout life.

### Favorite Leadership Quote?

"Learning to formulate a wholesome code of ethics for yourself, learning to seek truth all your life, learning the love of those who make the journey along with you- this is what Alpha Tau Omega is about"

- ATO Historian Robert E. Norris, '70

## SERVICE VS. PHILANTHROPY; What do YOU do?

There has been a recent shift within the college community toward hosting fundraising events instead of providing direct service to charitable causes. The best service programs of chapters - those that have the greatest overall impact -- will have members involved in both types of projects over the course of the year.

### Community Service

- Gives time & talent
- Provides "hands-on" support
- Allows for meaningful reflection
- Benefits people & causes

Ex. Adopt a Highway, working at a soup kitchen, Habitat for Humanity

### Philanthropy

- Raises money
- Events are directly related to a cause
- Can be mistaken for chapter fundraising
- Benefits a good cause

Ex. Sports Tournaments, Pageants, & writing checks
