Preparing for Move-in Day
Pack only the essentials. You can always bring extra belongings later in the semester. If you plan to have any of your items mailed or sent via parcel post, please make arrangements for an arrival date after your initial move-in day.

Housing Payments
Housing fees must be paid by the University payment deadline for each semester. Payments may be made online at myfau.fau.edu. In order to follow current public-health guidance, the on-campus housing environment will be different in the Fall semester. The changes in use of the facility, gathering of students for support and events, and the expectations of our residents are designed to encourage social distancing and minimize exposure. Please take the time to carefully review each item.

1. **Health and safety**
   All members of the FAU Housing community—residents, staff and visitors are expected to act in a manner that demonstrates consideration for the health and safety of the community. This includes social distancing, limitations on mass gatherings, wearing face coverings, COVID-19 diagnostic and surveillance testing (including before or upon arrival to campus), contact tracking/tracing, disinfection protocols, limitations on guests and quarantine/isolation requirements (before and after arrival to campus). Residential students are required to comply with directives from FAU Housing to leave their assigned space due to COVID-19 or other public health emergencies should they arise.

2. **Quarantine/isolation**
   Not all FAU Housing residential rooms or halls are appropriate for self-quarantine or self-isolation. In situations where a student is required to self-quarantine or self-isolate, the student may not be permitted to continue residing in their residential space and will be provided alternative housing arrangements as needed.

3. **Cleaning**
   Residents will be responsible for obtaining cleaning supplies based on CDC guidelines to maintain a clean-living environment within their assigned space. FAU Housing and Residential Education will clean all residential spaces prior to student move-in and provide regular cleaning and sanitizing of public areas such as lobbies, hallways and elevator areas.

4. **Community Living Expectations**
   Residential students must adhere to the following rules:
   a. Students are required to wear face coverings in lobbies, lounges and other public spaces within the residence halls/student apartment communities.
   b. Students may not gather in groups larger than those specified in the FAU Health and Safety Plan and must practice social distancing.
   c. Elevators will be limited to one person, family or roommate pair at a time.
   d. No visitors/guests (including overnight guests) from outside the student’s hall are permitted. Residents may only have one resident as a guest in their assigned bedroom or living room. This guest may not reside outside of the host residence hall or student apartment community

5. **Amenities and Common Areas**
   Programming and support for student success will be offered consistent with CDC Guidelines and the FAU Health and Safety Plan. Access to and use of amenities/spaces may be restricted or limited in capacity (community space, lounges, kitchen, laundry rooms, elevators, etc.) Ice machines and microwaves will not be available for the residents in common kitchens. Use of water fountains and bottle filling stations will be restricted. Recreation areas, including pools, volleyball pits and fitness centers, will have limited hours and may remain closed.
