For some positions assigned to this class special qualifications may be added for the minimum, such as possession of a State of Florida CPA certificate.

Title: Assistant Coordinator

Class Code: 9502

Minimum Qualifications:

Master's or Bachelor's degree from an accredited institution in an appropriate area of specialization.

Title: Assistant Dean, Student Affairs

Class Code: 9426

Minimum Qualifications:

Master's degree in an appropriate area of specialization and two years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and four years of appropriate experience.

Title: Assistant Director, Academic Programs

Class Code: 9437

Minimum Qualifications:

Master's degree in an appropriate area of specialization and two years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and four years of appropriate experience.

Title: Assistant Director, Academic Support Services

Class Code: 9327

Minimum Qualifications:

Master's degree in an appropriate area of specialization and two years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and four years of appropriate experience.

Title: Assistant Director, Admissions/Registration

Class Code: 9385

Minimum Qualifications:

Master's degree in an appropriate area of specialization and two years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and four years of appropriate experience.

Title: Assistant Director, Advancement/Alumni Affairs

Class Code: 9284

Minimum Qualifications:

Master's degree in an appropriate area of specialization and two years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and four years of appropriate experience.

Title: Assistant Director, Business and Financial/Auxiliary Services

Class Code: 9311

Minimum Qualifications:

Master's degree in an appropriate area of specialization and two years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and four years of appropriate experience.

Title: Assistant Director, Career Development Services

Class Code: 9450

Minimum Qualifications:

Master's degree in an appropriate area of specialization and two years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and four years of appropriate experience.

Title: Assistant Director, Clinical Programs

Class Code: 9283

Minimum Qualifications:

Master's degree in an appropriate area of specialization and two years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and four years of appropriate experience.

Title: Assistant Director, Continuing Education

Class Code: 9367

Minimum Qualifications:

Master's degree in an appropriate area of specialization and two years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and four years of appropriate experience.

Title: Assistant Director, Cooperative Education

Class Code: 9445

Minimum Qualifications:

Master's degree in an appropriate area of specialization and two years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and four years of appropriate experience.

Title: Assistant Director, Educational/Training Programs

Class Code: 9290

Minimum Qualifications:

Master's degree in an appropriate area of specialization and two years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and four years of appropriate experience.

Title: Assistant Director, Environmental Health and Safety

Class Code: 9397

Minimum Qualifications:

Master's degree in an appropriate area of specialization and two years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and four years of appropriate experience.

Title: Assistant Director, Facilities Planning

Class Code: 9359

Minimum Qualifications:

Master's degree in an appropriate area of specialization and two years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and four years of appropriate experience.

Title: Assistant Director, Human Resources/Personnel Relations

Class Code: 9312

Minimum Qualifications:

Master's degree in an appropriate area of specialization and two years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and four years of appropriate experience.

Title: Assistant Director, Information/Publications Services

Class Code: 9411

Minimum Qualifications:

Master's degree in an appropriate area of specialization and two years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and four years of appropriate experience.

Title: Assistant Director, Instructional Services

Class Code: 9404

Minimum Qualifications:

Master's degree in an appropriate area of specialization and two years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and four years of appropriate experience.

Title: Assistant Director, Intercollegiate Athletics

Class Code: 9472

Minimum Qualifications:

Master's degree in an appropriate area of specialization and two years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and four years of appropriate experience.

Title: Assistant Director, Learning Resources

Class Code: 9406

Minimum Qualifications:

Master's degree in an appropriate area of specialization and two years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and four years of appropriate experience.

Title: Assistant Director, Medical/Health Administration

Class Code: 9417

Minimum Qualifications:

Master's degree in an appropriate area of specialization and two years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and four years of appropriate experience.

Title: Assistant Director, Multipurpose Facility

Class Code: 9293

Minimum Qualifications:

Master's degree in an appropriate area of specialization and two years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and four years of appropriate experience.

Title: Assistant Director, Physical Plant

Class Code: 9387

Minimum Qualifications:

Master's degree in an appropriate area of specialization and two years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and four years of appropriate experience.

Title: Assistant Director, Purchasing

Class Code: 9319

Minimum Qualifications:

Master's degree in an appropriate area of specialization and two years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and four years of appropriate experience.

Title: Assistant Director, Research Programs and Services

Class Code: 9438

Minimum Qualifications:

Master's degree in an appropriate area of specialization and two years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and four years of appropriate experience.

Title: Assistant Director, Safety and Security

Class Code: 9398

Minimum Qualifications:

Master's degree in an appropriate area of specialization and two years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and four years of appropriate experience.

Title: Assistant Director, Student Affairs

Class Code: 9375

Minimum Qualifications:

Master's degree in an appropriate area of specialization and two years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and four years of appropriate experience.

Title: Assistant Director, Student Financial Aid

Class Code: 9429

Minimum Qualifications:

Master's degree in an appropriate area of specialization and two years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and four years of appropriate experience.

Title: Assistant Director, Telecommunications

Class Code: 9480

Minimum Qualifications:

Master's degree in an appropriate area of specialization and two years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and four years of appropriate experience.

Title: Assistant Director, Testing and Evaluation

Class Code: 9363

Minimum Qualifications:

Master's degree in an appropriate area of specialization and two years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and four years of appropriate experience.

Title: Assistant Director, University Budgets

Class Code: 9484

Minimum Qualifications:

Master's degree in an appropriate area of specialization and two years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and four years of appropriate experience.

Title: Assistant Director, University Computer Systems

Class Code: 9252

Minimum Qualifications:

Master's degree in an appropriate area of specialization and two years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and four years of appropriate experience.

Title: Assistant Director, University Counseling Center

Class Code: 9448

Minimum Qualifications:

Must be licensed as a psychologist and meet requirements as established by the American Psychological Association, which includes a doctoral degree and a supervised practicum experience.

Title: Assistant Director, University Equal Opportunity Programs

Class Code: 9496

Minimum Qualifications:

Master's degree in an appropriate area of specialization and two years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and four years of appropriate experience.

Title: Assistant Director, University Housing

Class Code: 9369

Minimum Qualifications:

Master's degree in an appropriate area of specialization and two years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and four years of appropriate experience.

Title: Assistant Director, University Planning and Analysis

Class Code: 9380

Minimum Qualifications:

Master's degree in an appropriate area of specialization and two years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and four years of appropriate experience.

Title: Assistant Director, University Press

Class Code: 9229

Minimum Qualifications:

Master's degree in an appropriate area of specialization and two years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and four years of appropriate experience.

Title: Assistant Director, University Relations/Public Affairs

Class Code: 9408

Minimum Qualifications:

Master's degree in an appropriate area of specialization and two years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and four years of appropriate experience.

Title: Assistant Director, University Research

Class Code: 9418

Minimum Qualifications:

Master's degree in an appropriate area of specialization and two years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and four years of appropriate experience.

Title: Assistant General Counsel

Class Code: 9498

Minimum Qualifications:

Law degree (L.L.B or J.D.) and must be a member of the Florida Bar or become a member within twelve months of employment.

Title: Assistant University Registrar

Class Code: 9414

Minimum Qualifications:

Master's degree in an appropriate area of specialization and two years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and four years of appropriate experience.

Title: Assistant Vice Chancellor

Class Code: 9206

Minimum Qualifications:

Doctoral degree in an appropriate area of specialization and one year directly related professional experience; or a master's degree in an appropriate area of specialization and four years directly related professional experience; or a bachelor's degree in an appropriate area of specialization and six years directly related professional experience.

Title: Assistant Vice Chancellor and Director

Class Code: 9207

Minimum Qualifications:

Doctoral degree in an appropriate area of specialization and one year directly related professional experience; or a master's degree in an appropriate area of specialization and four years directly related professional experience; or a bachelor's degree in an appropriate area of specialization and six years directly related professional experience.

Title: Assistant Vice President, Academic Affairs

Class Code: 9276

Minimum Qualifications:

Master's degree in an appropriate area of specialization and six years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and eight years of appropriate experience.

Title: Assistant Vice President, Administrative Affairs

Class Code: 9271

Minimum Qualifications:

Master's degree in an appropriate area of specialization and six years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and eight years of appropriate experience.

Title: Assistant Vice President, Advancement/Alumni Affairs

Class Code: 9378

Minimum Qualifications:

Master's degree in an appropriate area of specialization and six years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and eight years of appropriate experience.

Title: Assistant Vice President, Health Affairs

Class Code: 9273

Minimum Qualifications:

Master's degree in an appropriate area of specialization and six years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and eight years of appropriate experience.

Title: Assistant Vice President, Human Resources

Class Code: 9210

Minimum Qualifications:

Master's degree in an appropriate area of specialization and six years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and eight years of appropriate experience.

Title: Assistant Vice President, Student Affairs

Class Code: 9270

Minimum Qualifications:

Master's degree in an appropriate area of specialization and six years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and eight years of appropriate experience.

Title: Assistant Vice President, University Relations/Public Relations

Class Code: 9301

Minimum Qualifications:

Master's degree in an appropriate area of specialization and six years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and eight years of appropriate experience.

Title: Associate Controller

Class Code: 9298

Minimum Qualifications:

Master's degree in an appropriate area of specialization and four years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and six years of appropriate experience. For some positions assigned to this class special qualifications may be added for the minimum, such as possession of a State of Florida CPA certificate.

Title: Associate Dean, Student Affairs

Class Code: 9425

Minimum Qualifications:

Master's degree in an appropriate area of specialization and four years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and six years of appropriate experience.

Title: Associate Director for Clinical Services, Student Health Services

Class Code: 9487

Minimum Qualifications:

Licensed to practice medicine in the State of Florida plus four years of clinical experience as an M.D., three of which must have been in a student health service or a comparable health care agency.

Title: Associate Director for Nursing Services Student Health Services

Class Code: 9489

Minimum Qualifications:

Master's degree in nursing and three years directly related professional work experience; or a bachelor's degree in nursing and four years directly related professional work experience. Must be licensed as a registered nurse in the State of Florida.

Title: Associate Director, Academic Programs

Class Code: 9251

Minimum Qualifications:

Master's degree in an appropriate area of specialization and four years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and six years of appropriate experience.

Title: Associate Director, Academic Support Services

Class Code: 9309

Minimum Qualifications:

Master's degree in an appropriate area of specialization and four years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and six years of appropriate experience.

Title: Associate Director, Admissions/Registration

Class Code: 9357

Minimum Qualifications:

Master's degree in an appropriate area of specialization and four years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and six years of appropriate experience.

Title: Associate Director, Advancement/Alumni Affairs

Class Code: 9313

Minimum Qualifications:

Master's degree in an appropriate area of specialization and four years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and six years of appropriate experience.

Title: Associate Director, Business and Financial/Auxiliary Services

Class Code: 9322

Minimum Qualifications:

Master's degree in an appropriate area of specialization and four years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and six years of appropriate experience.

Title: Associate Director, Career Development Services

Class Code: 9449

Minimum Qualifications:

Master's degree in an appropriate area of specialization and four years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and six years of appropriate experience.

Title: Associate Director, Continuing Education

Class Code: 9374

Minimum Qualifications:

Master's degree in an appropriate area of specialization and four years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and six years of appropriate experience.

Title: Associate Director, Cooperative Education

Class Code: 9323

Minimum Qualifications:

Master's degree in an appropriate area of specialization and four years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and six years of appropriate experience.

Title: Associate Director, Educational/Training Programs

Class Code: 9289

Minimum Qualifications:

Master's degree in an appropriate area of specialization and four years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and six years of appropriate experience.

Title: Associate Director, Environmental Health and Safety

Class Code: 9389

Minimum Qualifications:

Master's degree in an appropriate area of specialization and four years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and six years of appropriate experience.

Title: Associate Director, Equal Opportunity Programs

Class Code: 9248

Minimum Qualifications:

Master's degree in an appropriate area of specialization and four years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and six years of appropriate experience.

Title: Associate Director, Facilities Planning

Class Code: 9345

Minimum Qualifications:

Master's degree in an appropriate area of specialization and four years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and six years of appropriate experience.

Title: Associate Director, Human Resources/Personnel Relations

Class Code: 9337

Minimum Qualifications:

Master's degree in an appropriate area of specialization and four years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and six years of appropriate experience.

Title: Associate Director, Information /Publications Services

Class Code: 9455

Minimum Qualifications:

Master's degree in an appropriate area of specialization and four years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and six years of appropriate experience.

Title: Associate Director, Instructional Services

Class Code: 9403

Minimum Qualifications:

Master's degree in an appropriate area of specialization and four years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and six years of appropriate experience.

Title: Associate Director, Intercollegiate Athletics

Class Code: 9471

Minimum Qualifications:

Master's degree in an appropriate area of specialization and four years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and six years of appropriate experience.

Title: Associate Director, Learning Resources

Class Code: 9400

Minimum Qualifications:

Master's degree in an appropriate area of specialization and four years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and six years of appropriate experience.

Title: Associate Director, Medical/Health Administration

Class Code: 9416

Minimum Qualifications:

Master's degree in an appropriate area of specialization and four years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and six years of appropriate experience.

Title: Associate Director, Multipurpose Facility

Class Code: 9292

Minimum Qualifications:

Master's degree in an appropriate area of specialization and four years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and six years of appropriate experience.

Title: Associate Director, Physical Plant

Class Code: 9354

Minimum Qualifications:

Master's degree in an appropriate area of specialization and four years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and six years of appropriate experience.

Title: Associate Director, Purchasing

Class Code: 9326

Minimum Qualifications:

Master's degree in an appropriate area of specialization and four years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and six years of appropriate experience.

Title: Associate Director, Research Programs/Services

Class Code: 9250

Minimum Qualifications:

Master's degree in an appropriate area of specialization and four years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and six years of appropriate experience.

Title: Associate Director, Safety and Security

Class Code: 9391

Minimum Qualifications:

Master's degree in an appropriate area of specialization and four years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and six years of appropriate experience.

Title: Associate Director, Student Affairs

Class Code: 9422

Minimum Qualifications:

Master's degree in an appropriate area of specialization and four years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and six years of appropriate experience.

Title: Associate Director, Student Financial Aid

Class Code: 9493

Minimum Qualifications:

Master's degree in an appropriate area of specialization and four years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and six years of appropriate experience.

Title: Associate Director, Telecommunications

Class Code: 9383

Minimum Qualifications:

Master's degree in an appropriate area of specialization and four years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and six years of appropriate experience.

Title: Associate Director, Testing and Evaluation

Class Code: 9372

Minimum Qualifications:

Master's degree in an appropriate area of specialization and four years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and six years of appropriate experience.

Title: Associate Director, University Budgets

Class Code: 9482

Minimum Qualifications:

Master's degree in an appropriate area of specialization and four years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and six years of appropriate experience.

Title: Associate Director, University Computer Systems

Class Code: 9465

Minimum Qualifications:

Master's degree in an appropriate area of specialization and four years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and six years of appropriate experience.

Title: Associate Director, University Counseling Center

Class Code: 9431

Minimum Qualifications:

Must be licensed as a psychologist and meet requirements as established by the American Psychological Association, which includes a doctoral degree and a supervised practicum experience.

Title: Associate Director, University Equal Opportunity Programs

Class Code: 9494

Minimum Qualifications:

Master's degree in an appropriate area of specialization and four years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and six years of appropriate experience.

Title: Associate Director, University Housing

Class Code: 9351

Minimum Qualifications:

Master's degree in an appropriate area of specialization and four years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and six years of appropriate experience.

Title: Associate Director, University Planning and Analysis

Class Code: 9379

Minimum Qualifications:

Master's degree in an appropriate area of specialization and four years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and six years of appropriate experience.

Title: Associate Director, University Press

Class Code: 9228

Minimum Qualifications:

Master's degree in an appropriate area of specialization and four years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and six years of appropriate experience.

Title: Associate Director, University Relations/ Public Affairs

Class Code: 9285

Minimum Qualifications:

Master's degree in an appropriate area of specialization and four years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and six years of appropriate experience.

Title: Associate Director, University Research

Class Code: 9420

Minimum Qualifications:

Master's degree in an appropriate area of specialization and four years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and six years of appropriate experience.

Title: Associate General Counsel

Class Code: 9306

Minimum Qualifications:

Law degree (L.L.B. or J.D) and two years experience as an attorney. Must be a member of the Florida Bar or become a member within twelve months of employment.

Title: Associate Head Athletic Coach

Class Code: 9468

Minimum Qualifications:

Master's degree in an appropriate area of specialization; or a bachelor's degree and two years of related coaching experience at the high school level or above. Successful experience as a graduate assistant or intern in an athletic program is acceptable for up to one year of the required experience.

Title: Associate University Registrar

Class Code: 9324

Minimum Qualifications:

Master's degree in an appropriate area of specialization and three years of directly related professional work experience; or a bachelor's degree in an appropriate area of specialization and five years directly related professional work experience.

Title: Associate Vice Chancellor

Class Code: 9240

Minimum Qualifications:

Doctoral degree in an appropriate area of specialization and two years directly related professional experience; or a master's degree in an appropriate area of specialization and five years directly related professional experience; or a bachelor's degree in an appropriate area of specialization and seven years directly related professional experience.

Title: Associate Vice Chancellor and Director

Class Code: 9209

Minimum Qualifications:

Doctoral degree in an appropriate area of specialization and two years directly related professional experience; or a master's degree in an appropriate area of specialization and five years directly related professional experience; or a bachelor's degree in an appropriate area of specialization and seven years directly related professional experience.

Title: Associate Vice President, Administrative Affairs

Class Code: 9318

Minimum Qualifications:

Master's degree in an appropriate area of specialization and seven years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and nine years of appropriate experience.

Title: Associate Vice President, Advancement/Alumni Affairs

Class Code: 9377

Minimum Qualifications:

Master's degree in an appropriate area of specialization and seven years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and nine years of appropriate experience.

Title: Associate Vice President, Health Affairs

Class Code: 9272

Minimum Qualifications:

Master's degree in an appropriate area of specialization and seven years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and nine years of appropriate experience.

Title: Associate Vice President, Human Resources

Class Code: 9244

Minimum Qualifications:

Master's degree in an appropriate area of specialization and seven years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and nine years of appropriate experience.

Title: Associate Vice President, Student Affairs

Class Code: 9269

Minimum Qualifications:

Master's degree in an appropriate area of specialization and seven years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and nine years of appropriate experience.

Title: Associate Vice President, University Relations/Public Affairs

Class Code: 9296

Minimum Qualifications:

Master's degree in an appropriate area of specialization and seven years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and nine years of appropriate experience.

Title: Athletic Trainer

Class Code: 9483

Minimum Qualifications:

Master's degree in an appropriate area of specialization and one year of directly related professional experience; or a bachelor's degree in the appropriate area of specialization and three years of directly related experience. Experience with a professional sports entity may be substituted for college/university experience. Must possess or be able to obtain the National Athletic Trainer Associate Certificate.

Title: Audit Services/Investigations Administrator

Class Code: 9208

Minimum Qualifications:

Master's degree in an appropriate area of specialization and four years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and six years of appropriate experience. Must possess a Certified Public Accountant or a Certified Internal Auditor certificate.

Title: Business Manager

Class Code: 9459

Minimum Qualifications:

Master's degree in an appropriate area of specialization and four years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and six years of appropriate experience.

Title: Chancellor

Class Code: 9200

Minimum Qualifications:

Doctoral degree in an appropriate area of specialization and ten years directly related professional experience; or a master's degree in an appropriate area of specialization and thirteen years directly related professional experience; or a bachelor's degree in an appropriate area of specialization and fifteen years directly related professional experience.

Title: Computing Paraprofessional

Class Code: 9506

Minimum Qualifications:

A high school diploma and five years of appropriate experience relevant to the specific position.

Title: Consultant, Academic Programs

Class Code: 9442

Minimum Qualifications:

Doctoral degree in a appropriate area of specialization and four years of related professional work experience; or master's degree in an appropriate area and seven years of related professional work experience. Must hold the rank of Associate Professor or higher.

Title: Controller

Class Code: 9297

Minimum Qualifications:

Master's degree in an appropriate area of specialization and six years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and eight years of appropriate experience. For some positions assigned to this class special qualifications may be added for the minimum, such as possession of a State of Florida CPA certificate.

Title: Coordinator, Academic Programs

Class Code: 9241

Minimum Qualifications:

Master's degree in an appropriate area of specialization; or a bachelor's degree in an appropriate area of specialization and two years of appropriate experience.

Title: Coordinator, Academic Support Services

Class Code: 9396

Minimum Qualifications:

Master's degree in an appropriate area of specialization; or a bachelor's degree in an appropriate area of specialization and two years of appropriate experience.

Title: Coordinator, Accounting

Class Code: 9218

Minimum Qualifications:

Master's degree in an appropriate area of specialization; or a bachelor's degree in an appropriate area of specialization and two years of appropriate experience. For some positions assigned to this class special qualifications may be added to the minimum, such as possession of a State of Florida CPA certificate.

Title: Coordinator, Administrative Services

Class Code: 9225

Minimum Qualifications:

Master's degree in an appropriate area of specialization; or a bachelor's degree in an appropriate area of specialization and two years of appropriate experience.

Title: Coordinator, Admissions/Registration

Class Code: 9232

Minimum Qualifications:

Master's degree in an appropriate area of specialization; or a bachelor's degree in an appropriate area of specialization and two years of appropriate experience.

Title: Coordinator, Advancement/Alumni Affairs

Class Code: 9314

Minimum Qualifications:

Master's degree in an appropriate area of specialization; or a bachelor's degree in an appropriate area of specialization and two years of appropriate experience.

Title: Coordinator, Broadcasting

Class Code: 9410

Minimum Qualifications:

Master's degree in an appropriate area of specialization; or a bachelor's degree in an appropriate area of specialization and two years of appropriate experience.

Title: Coordinator, Budgeting

Class Code: 9258

Minimum Qualifications:

Master's degree in an appropriate area of specialization; or a bachelor's degree in an appropriate area of specialization and two years of appropriate experience.

Title: Coordinator, Business and Financial/Auxiliary Services

Class Code: 9236

Minimum Qualifications:

Master's degree in an appropriate area of specialization; or a bachelor's degree in an appropriate area of specialization and two years of appropriate experience.

Title: Coordinator, Career Development Services

Class Code: 9451

Minimum Qualifications:

Master's degree in an appropriate area of specialization; or a bachelor's degree in an appropriate area of specialization and two years of appropriate experience.

Title: Coordinator, Clinical Programs

Class Code: 9277

Minimum Qualifications:

Master's degree in an appropriate area of specialization; or a bachelor's degree in an appropriate area of specialization and two years of appropriate experience.

Title: Coordinator, Computer Applications

Class Code: 9335

Minimum Qualifications:

Master's degree in an appropriate area of specialization; or a bachelor's degree in an appropriate area of specialization and two years of appropriate experience.

Title: Coordinator, Computer Systems Control

Class Code: 9475

Minimum Qualifications:

Master's degree in an appropriate area of specialization; or a bachelor's degree in an appropriate area of specialization and two years of appropriate experience.

Title: Coordinator, Continuing Education

Class Code: 9370

Minimum Qualifications:

Master's degree in an appropriate area of specialization; or a bachelor's degree in an appropriate area of specialization and two years of appropriate experience.

Title: Coordinator, Cooperative Education

Class Code: 9394

Minimum Qualifications:

Master's degree in an appropriate area of specialization; or a bachelor's degree in an appropriate area of specialization and two years of appropriate experience.

Title: Coordinator, Economic Analysis

Class Code: 9237

Minimum Qualifications:

Master's degree in an appropriate area of specialization; or a bachelor's degree in an appropriate area of specialization and two years of appropriate experience.

Title: Coordinator, Educational Media/Communication

Class Code: 9243

Minimum Qualifications:

Master's degree in an appropriate area of specialization; or a bachelor's degree in an appropriate area of specialization and two years of appropriate experience.

Title: Coordinator, Educational/Training Programs

Class Code: 9291

Minimum Qualifications:

Master's degree in an appropriate area of specialization; or a bachelor's degree in an appropriate area of specialization and two years of appropriate experience.

Title: Coordinator, Environment Health & Safety

Class Code: 9238

Minimum Qualifications:

Master's degree in an appropriate area of specialization; or a bachelor's degree in an appropriate area of specialization and two years of appropriate experience.

Title: Coordinator, Equal Opportunity Programs

Class Code: 9213

Minimum Qualifications:

Master's degree in an appropriate area of specialization; or a bachelor's degree in an area of specialization and two years of appropriate experience.

Title: Coordinator, Facilities Planning

Class Code: 9346

Minimum Qualifications:

Master's degree in an appropriate area of specialization; or bachelor's degree in an appropriate area of specialization and two years of appropriate experience. For some positions assigned to this class, special qualifications may be added to the minimum, such as appropriate professional registration or certification.

Title: Coordinator, High School and/or Community College Relations

Class Code: 9361

Minimum Qualifications:

Master's degree in an appropriate area of specialization; or a bachelor's degree in an appropriate area of specialization and two years of appropriate experience.

Title: Coordinator, Human Resources/Personnel Relations

Class Code: 9215

Minimum Qualifications:

Master's degree in an appropriate area of specialization; or a bachelor's degree in an appropriate area of specialization and two years of appropriate experience.

Title: Coordinator, Human Services

Class Code: 9315

Minimum Qualifications:

Master's degree in an appropriate area of specialization; or a bachelor's degree in an appropriate area of specialization and two years of appropriate experience.

Title: Coordinator, Information/Publications Services

Class Code: 9388

Minimum Qualifications:

Master's degree in an appropriate area of specialization; or a bachelor's degree in an appropriate area of specialization and two years of appropriate experience.

Title: Coordinator, Intercollegiate Athletics

Class Code: 9476

Minimum Qualifications:

Master's degree in an appropriate area of specialization; or a bachelor's degree in an appropriate area of specialization and two years of appropriate experience.

Title: Coordinator, Management Analysis

Class Code: 9226

Minimum Qualifications:

Master's degree in an appropriate area of specialization; or a bachelor's degree in an appropriate area of specialization and two years of appropriate experience.

Title: Coordinator, Physical Plant

Class Code: 9486

Minimum Qualifications:

Master's degree in an appropriate area of specialization; or a bachelor's degree in an appropriate area of specialization and two years of appropriate experience.

Title: Coordinator, Public Functions

Class Code: 9402

Minimum Qualifications:

Master's degree in an appropriate area of specialization; or a bachelor's degree in an appropriate area of specialization and two years of appropriate experience.

Title: Coordinator, Purchasing

Class Code: 9488

Minimum Qualifications:

Master's degree in an appropriate area of specialization; or a bachelor's degree in an appropriate area of specialization and two years of appropriate experience.

Title: Coordinator, Research Programs/Services

Class Code: 9444

Minimum Qualifications:

Master's degree in an appropriate area of specialization; or a bachelor's degree in an appropriate area of specialization and two years of appropriate experience.

Title: Coordinator, Safety & Security

Class Code: 9364

Minimum Qualifications:

Master's degree in an appropriate area of specialization; or a bachelor's degree in an appropriate area of specialization and two years of appropriate experience. Appropriate law enforcement experience may substitute for the required college coursework.

Title: Coordinator, Space Utilization and Analysis

Class Code: 9497

Minimum Qualifications:

Master's degree in an appropriate area of specialization; or a bachelor's degree in an appropriate area of specialization and two years of appropriate experience.

Title: Coordinator, Sports Information

Class Code: 9473

Minimum Qualifications:

Master's degree in an appropriate area of specialization; or a bachelor's degree in an appropriate area of specialization and two years of appropriate experience.

Title: Coordinator, Statistical Research

Class Code: 9339

Minimum Qualifications:

Master's degree in an appropriate area of specialization; or a bachelor's degree in an appropriate area of specialization and two years of appropriate experience.

Title: Coordinator, Student Affairs

Class Code: 9427

Minimum Qualifications:

Master's degree in an appropriate area of specialization; or a bachelor's degree in an appropriate area of specialization and two years of appropriate experience.

Title: Coordinator, Student Financial Aid

Class Code: 9282

Minimum Qualifications:

Master's degree in an appropriate area of specialization; or a bachelor's degree in an appropriate area of specialization and two years of appropriate experience.

Title: Coordinator, Telecommunications

Class Code: 9481

Minimum Qualifications:

Master's degree in an appropriate area of specialization; or a bachelor's degree in an appropriate area of specialization and two years of appropriate experience.

Title: Coordinator, University Housing

Class Code: 9352

Minimum Qualifications:

Master's degree in an appropriate area of specialization; or a bachelor's degree in an appropriate area of specialization and two years of appropriate experience.

Title: Coordinator, University Relations/Public Affairs

Class Code: 9307

Minimum Qualifications:

Master's degree in an appropriate area of specialization; or a bachelor's degree in an appropriate area of specialization and two years of appropriate experience.

Title: Coordinator, Utilities/Energy Management

Class Code: 9294

Minimum Qualifications:

Master's degree in an appropriate area of specialization; or a bachelor's degree in an appropriate area of specialization and two years of appropriate experience.

Title: Dean, Student Affairs

Class Code: 9424

Minimum Qualifications:

Master's degree in an appropriate area of specialization and six years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and eight years of appropriate experience.

Title: Dentist

Class Code: 9490

Minimum Qualifications:

Graduation from an approved school of dentistry and licensed as a dentist by the State of Florida Board of Dentistry.

Title: Director, Academic Programs

Class Code: 9246

Minimum Qualifications:

Master's degree in an appropriate area of specialization and six years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and eight years of appropriate experience.

Title: Director, Academic Support Services

Class Code: 9308

Minimum Qualifications:

Master's degree in an appropriate area of specialization and six years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and eight years of appropriate experience.

Title: Director, Admissions/Registration

Class Code: 9358

Minimum Qualifications:

Master's degree in an appropriate area of specialization and six years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and eight years of appropriate experience.

Title: Director, Advancement/Alumni Affairs

Class Code: 9310

Minimum Qualifications:

Master's degree in an appropriate area of specialization and six years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and eight years of appropriate experience.

Title: Director, Business and Financial/Auxiliary Services

Class Code: 9321

Minimum Qualifications:

Master's degree in an appropriate area of specialization and six years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and eight years of appropriate experience.

Title: Director, Career Development Services

Class Code: 9300

Minimum Qualifications:

Master's degree in an appropriate area of specialization and six years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and eight years of appropriate experience.

Title: Director, Continuing Education

Class Code: 9368

Minimum Qualifications:

Master's degree in an appropriate area of specialization and six years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and eight years of appropriate experience.

Title: Director, Cooperative Education

Class Code: 9376

Minimum Qualifications:

Master's degree in an appropriate area of specialization and six years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and eight years of appropriate experience.

Title: Director, Educational/Training Programs

Class Code: 9287

Minimum Qualifications:

Master's degree in an appropriate area of specialization and six years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and eight years of appropriate experience.

Title: Director, Environmental Health and Safety

Class Code: 9341

Minimum Qualifications:

Master's degree in an appropriate area of specialization and six years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and eight years of appropriate experience.

Title: Director, Facilities Planning

Class Code: 9344

Minimum Qualifications:

Master's degree in an appropriate area of specialization and six years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and eight years of appropriate experience.

Title: Director, Governmental Relations

Class Code: 9204

Minimum Qualifications:

Master's degree in an appropriate area of specialization and six years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and eight years of appropriate experience.

Title: Director, High School and/or Community College Relations

Class Code: 9360

Minimum Qualifications:

Master's degree in an appropriate area of specialization and six years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and eight years of appropriate experience.

Title: Director, Human Resources/Personnel Relations

Class Code: 9336

Minimum Qualifications:

Master's degree in an appropriate area of specialization and six years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and eight years of appropriate experience.

Title: Director, Information/Publications Services

Class Code: 9454

Minimum Qualifications:

Master's degree in an appropriate area of specialization and six years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and eight years of appropriate experience.

Title: Director, Institutional Research

Class Code: 9338

Minimum Qualifications:

Master's degree in an appropriate area of specialization and six years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and eight years of appropriate experience.

Title: Director, Instructional Services

Class Code: 9399

Minimum Qualifications:

Master's degree in an appropriate area of specialization and six years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and eight years of appropriate experience.

Title: Director, Intercollegiate Athletics

Class Code: 9470

Minimum Qualifications:

Master's degree in an appropriate area of specialization and six years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and eight years of appropriate experience.

Title: Director, Learning Resources

Class Code: 9405

Minimum Qualifications:

Master's degree in an appropriate area of specialization and six years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and eight years of appropriate experience.

Title: Director, Medical/Health Administration

Class Code: 9415

Minimum Qualifications:

Master's degree in an appropriate area of specialization and six years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and eight years of appropriate experience.

Title: Director, Multipurpose Facility

Class Code: 9286

Minimum Qualifications:

Master's degree in an appropriate area of specialization and six years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and eight years of appropriate experience.

Title: Director, Nursing Services

Class Code: 9278

Minimum Qualifications:

Licensed as a registered professional nurse in accordance with Chapter 464 Florida Statutes and a master's degree in an appropriate area of specialization and six years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and eight years of appropriate experience.

Title: Director, Operations Analysis

Class Code: 9299

Minimum Qualifications:

Master's degree in an appropriate area of specialization and six years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and eight years of appropriate experience.

Title: Director, Physical Plant

Class Code: 9353

Minimum Qualifications:

Master's degree in an appropriate area of specialization and six years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and eight years of appropriate experience.

Title: Director, Purchasing

Class Code: 9325

Minimum Qualifications:

Master's degree in an appropriate area of specialization and six years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and eight years of appropriate experience.

Title: Director, Research Programs/Services

Class Code: 9329

Minimum Qualifications:

Master's degree in an appropriate area of specialization and six years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and eight years of appropriate experience. For some positions assigned to this class, special qualifications may be added for the minimum, such as professional registration or certification, or medical credentials

Title: Director, Safety and Security

Class Code: 9340

Minimum Qualifications:

Master's degree in an appropriate area of specialization and six years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and eight years of appropriate experience.

Title: Director, Space Utilization and Analysis

Class Code: 9348

Minimum Qualifications:

Master's degree in an appropriate area of specialization and six years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and eight years of appropriate experience.

Title: Director, Sports Information

Class Code: 9479

Minimum Qualifications:

Master's degree in an appropriate area of specialization and six years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and eight years of appropriate experience.

Title: Director, Student Affairs

Class Code: 9421

Minimum Qualifications:

Master's degree in an appropriate area of specialization and six years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and eight years of appropriate experience.

Title: Director, Student Financial Aid

Class Code: 9428

Minimum Qualifications:

Master's degree in an appropriate area of specialization and six years of appropriate experience; or a bachelor's degree in an appropriate area of specialization and eight years of appropriate experience.

Title: Director, Student Health Services

Class Code: 9440

Minimum Qualifications:

Licensed to practice medicine in the State of Florida plus eight years of experience in the practice of medicine, three of which must have been in an administrative capacity.

Title: Director, Student Mental Health Services
