### Frequently Asked Questions

#### 3. How do I input Last Year's Goals?

To add goals, you may either input the information manually or use existing goals. In the Last Year's Goal section of the appraisal, select the Add button. You will then enter the information manually or click on the box labeled Use Existing Goal. Use the drop down menu to select the goal. You may choose from: All Valid Goals for Selection; By Review and select which performance review; By Status and select either Not Started, Completed, In Progress or No Longer Needed; or By Category and select the Fiscal Year. You can only add one goal at a time. Please see numbers 4–6 on pages 3–5 of the “2018 Performance Appraisal – Self-Evaluation” Job Aid in Workday.

#### 4. How do I reassign a performance appraisal?

If you were not the supervisor of the employee during the Performance Appraisal period (July 1, 2017 – June 30, 2018), then you may reassign the supervisor portion of the appraisal. To reassign the evaluation, click on the settings icon on the Inbox Task, and reassign to the appropriate person. Please see number 2 on page 1 of the “2018 Performance Appraisal – Supervisor Evaluation” Job Aid in Workday. *(NOTE: New supervisor and employee should meet to discuss Next Year's Goals*

*– May meet in addition to Performance Appraisal meeting, such as during one-on-one meeting)*

If you were the supervisor for the later portion of the Performance Appraisal period (July 1, 2017 – June 30, 2018), then you should collaborate with the previous supervisor to assist you in evaluating the employee during the July 1, 2017 – June 30, 2018 time period the employee was not under your supervision. However, you would NOT reassign to the previous supervisor, since you are their current supervisor and were their supervisor during the later portion of their Performance Appraisal period.

If your subordinate reports to you, but also works with other supervisors, then you should collaborate with the other supervisors to receive their input from the tasks the employee completes/ works on for them. This will assist you in providing a detailed and effective evaluation.

At the discretion of the Dean, Director, Vice President, Chief of Police or his/her designee an additional reviewer can be added. **CAUTION:** The performance appraisal is released to the employee once you press submit. Employees shall only be notified that they are receiving a PIP by the supervisor when they discuss their performance appraisal.

### 7. How can I check on the status of performance appraisals for the employees in my management chain or as a Business Manager/HR Partner?

If you are a **Business Manager/ HR Partner**, then you now have the ability to check the status of employee performance appraisals in your area. You will be able to see which step the performance appraisal is at, and who it is sitting with. You will NOT be able to see the content of the performance appraisals or the ratings. ONLY those in the management chain can see content and ratings.

To run the report, first search for “FAU\_HCM\_Performance Review Status Report” in the Workday search bar. The report is ready to run, so press the “OK” button.

If you are in the **management chain**, you may use “Employee Review Summary” or “My Team’s Performance Reviews” to see more detailed information about the performance appraisals.

Please see the Performance Appraisal Status Report Job Aid in Workday for specific instructions and pictures.
