GREETINGS INTERNATIONAL OWLS

Welcome to the ISSS Newsletter, an email publication designed to keep international students and visiting scholars up to date on what’s going on around the FAU campuses and the world.

We are preparing for the 22nd annual Festival of Nations to be held on Thursday, April 14, 2016 between 5 pm and 8 pm; this is a wonderful opportunity to celebrate our international diversity and the many cultures, countries, languages, and traditions we represent.

We invite you to participate in any way you can. Please contact QingQing Chui (qchui@fau.edu) regarding your interest and availability:

• **Cultural Performance**: dance, music, or other cultural performance

• **Traditional attire fashion show**: wear your traditional attire (if you have one) or other clothing symbolizing your country and walk in a fashion show!

• **Country/culture display table**: reserve a table that features your country/culture language, traditions, history, etc.

The audience will include FAU students, faculty, staff, and families/friends. If you want to be involved but you are not sure how, or if you want to get more information, please reach out to us.

If you have any suggestions or concerns, please contact us.

DATES TO REMEMBER

The WeLead: Diversity Matters Leadership
The WeLead: Diversity Matters Leadership Symposium will be held on April 16, 2016 from 8:30 - 1 p.m. in the College of Business on the Boca Raton Campus. This one-day experience is designed to broaden your culture competence and leadership knowledge. The symposium is open and free to FAU students (non-FAU students incur a small registration fee and register at a different link) and includes keynote speakers, several breakout sessions, and opportunities to interact with college students from FL schools, faculty, and staff. The symposium will conclude with a networking reception hosted at the FAU stadium from 1pm - 3pm. Participants will have an opportunity to network with professional staff from a variety of areas, while supporting the FAU Owls at their annual spring football game. Please register here.

ANNOUNCEMENTS

International Student Scholar Services no longer accepts emailed documents. For instructions on how to submit your documents electronically please visit:

GLOBAL NEWS

Spring is here. That means we’re more likely to head outside and enjoy warmer weather. But there are also other things you can do in April — so long as we don’t have too many of those spring showers. Here are a few astronomical highlights you can enjoy this month:

April 17–18: Jupiter and the moon

While you’ll be able to see Jupiter all month, on this night, you can see the pair just about two degrees apart.

April 22: Full moon

While for astronomers a full moon can hamper observations, for most people a full moon can be quite enjoyable.

This month’s full moon will occur on April 22 at 1:24 EDT.

April 22: Lyrid meteor shower

After a dearth of meteor showers, we’re finally treated to the first one of in our warmer months. The Lyrid shower is active from April 16 to 25, with the peak being on the night of April 22–23. The rate per hour is only about 18 (compared to some showers which can produce 50 or even 100).
