Tuition Waivers are limited and competitive. Meeting minimum requirements does not guarantee an award. The tuition waiver is only good for the term it is awarded for.
WHO IS ELIGIBLE?
The Out-of-State Tuition Waiver may be awarded to students who meet the following criteria:

A. GPA

First semester transfer students must have a minimum cumulative 3.5 GPA.

Current FAU students must maintain an FAU cumulative 3.3 GPA.

B. Student Status - Students must be admitted to FAU and registered for summer classes. Non-degree seeking or graduate students are not eligible.

Although any student who is eligible based on GPA and student status may apply, all students who qualify may not be awarded tuition fee waivers. Funds are limited and therefore awards are highly competitive and based on the following criteria:

- FAU GPA (cumulative) - the higher the better.
- Residence - preference is given to students who reside in Broward County.
- Campus - preference is given to students who enroll in courses offered on the Broward Campuses. The Boca Raton campus has a similar waiver for students attending that campus.

WHEN TO APPLY - Students applying for Summer 2015 semester fee waivers must submit completed forms to the Davie Admissions Office, Liberal Arts Building, Room 112, Davie Campus by April 27th, 2015 or email it to smbah@fau.edu. Your application will not be processed until you have registered for Summer 2015 semester classes.
