What is “Make Waves”?

**Make Waves** is a University-wide campaign that showcases students, faculty, staff and alumni.

**Make Waves** posters highlight the diversity and exceptional achievements of our FAU family. The posters illustrate special talents, hobbies and avocations, in addition to academic achievements.

You can help us select people from our campus to participate.

Who can be nominated?

Current students, faculty, staff or alumni.

How does the nomination process work?

- Nomination forms are available in the Campus Administration office (2nd floor, AD building), in The Burrow (SR building), or online at [fau.edu/jupiter](http://fau.edu/jupiter).
- Completed nominations should be submitted to the Office of University Relations in AD 226.
- Nominations will be accepted through October 15, 2012.
- A nominator must make sure that the person nominated is aware of the submission and supports it.
- Self-nominations will be accepted.
- A panel of students, faculty and staff will review the nominations and choose the most noteworthy nominees. The decision of the selection panel is final.
- Incomplete nominations will not be reviewed or returned.

What is required of a “Make Waves” selected candidate?

Those selected must be available for a photo session prior to the end of the fall semester. Photos will showcase those selected in settings which characterize their talents and achievements. The completed “make waves” posters will be displayed at the Jupiter campus and at other University locations.
