Question: I know I submitted my hours, but I never got an approval?

Answer: It could be that the hours were not properly “contributed” to your campuses group.

1. Log in to NobleHour. Click on the arrow icon on the upper right.
2. Select the opportunity you would like to contribute. Click next.
3. Select your group from the Group Selection option. Click Contribute. [Do Not Select anything in the organization box. If you would like to contribute to more than one group, you can do this in the group box] Enter your full name for the E-signature, check box and select Done.

** You can also edit a submission by selecting the submission you would like to revise, and then clicking “edit”. There you will also be able to insert the “group” that you would like to contribute your hours to.
