The Clash of the Gods
Six Religions Examined

Thomas O’Brien & Howard Shapiro
In prior courses, Rabbi Shapiro and Tom O’Brien examined the real — and sometimes irreconcilable — differences between Judaism and Christianity and the religious challenges of the 21st century. This year, Tom and Howard will expand their dialogues to ask how six of the world’s religions respond to "The Big Questions." In weeks two through seven, a representative of each religion will join them for the discussion.
